Computers and Technology: Networked computers in every classroom, fully networked computer lab. Brand new two-story, 12 classroom addition equipped with Smart 4 Kids technology.

SCHOOL BACKGROUND

Lynch Elementary was built in 1958, and it is nestled in the Meadowlawn Community. Lynch is a family-oriented school, and parents who were once students at this school, now enroll their own children to attend. Our brand new two-story, 12 classroom addition will be completed for November 2009 occupancy. Each classroom will be equipped with Smart 4 Kids technology. Lynch also applied and received a FASA Grant to implement the Olweus Bullying Prevention Program. Our school strives to help each child reach his or her highest potential in a safe, civil environment.
