VISION
100% Student Success

CORE VALUES
Commitment to Children, Families and Community
Respectful and Caring Relationships
Cultural Competence
Integrity
Responsibility
Connectedness

Working Together for Every Student
Keep Students First
Sufficiently and Sustainably Fund Schools to Meet the Educational Needs of Students

In order to support the mission and vision of Pinellas County Schools, the district responsibly oversees $1.5 billion:

- General Operating 62.6%
- Capital Outlay 20.77%
- Self-Insured Health 9.68%
- Food & Nutrition 3.47%
- Contracted Services 2.64%
- Debt Service 0.48%
- Self-Insured Workers’ Compensation 0.35%
- Permanent Fund 0.01%

The budget is aligned each year to the District Strategic Plan.

- Update the calculation for the Required Local Effort (RLE) millage rate to capture the increases in residential and commercial property values, revenue gained from new construction and the change of value in real estate caused by the sale of property value so that growth pays for itself.

- Ensure fair process and structures within the District Cost Differential (DCD) study to accurately reflect the cost of living in Pinellas County.

- Extend voter authorized millage set forth in s. 1011.73, F.S. from 4-year up to 10-year terms.

TEACHER SALARIES and FINANCIAL STEWARDSHIP

- Increase teacher salaries in a meaningful, sustainable manner in order to attract and retain highly-effective teachers and address a growing teacher shortage.

- Increase general operating dollars (Base Student Allocation) by a minimum of 3% to sufficiently fund costs including salaries, benefits, mandatory employer contributions to the Florida Retirement System and increased fixed costs such as utilities and insurance.

The Pinellas County Schools 2019–20
Starting Teacher Salary: $43,809
thanks to the commitment of the School Board and the voters of Pinellas County.

Did you know?

Voters in Pinellas County continuously support the funding of schools as evidenced by the referendum of a half-mill property tax since 2004.
Keep Students First
Sufficiently and Sustainably Fund Schools to Meet the Educational Needs of Students

Did you know?

- Since 2013, Pinellas County Schools (PCS) has nearly doubled the number of VPK classrooms;
- In addition to adding classrooms, the district has been able to almost triple the number of VPK seats available; and
- In 2019, the district entered into a Child Care Partnership with Lutheran Services Florida and opened the first PCS Head Start classrooms.

PREKINDERGARTEN SUPPORTS and SERVICES

- Enhance the investment in and accountability for developmentally appropriate, high-quality early learning and Voluntary PreKindergarten (VPK) full-day programs. Revise school readiness pre-school application to permit funding for school day and after school services for PreKindergarten students.

- Rename the education statute to include PreKindergarten, allowing certified teachers to be included in incentive and retirement afforded to K-12 teachers.

Studies continue to demonstrate that high-quality early childhood programs support the development of social and academic skills. Ultimately, impacting long-term achievement and lifetime earning potential.

Support Career Technical Education and Public Technical Colleges

SUMMER CAREER ACCELERATION
and
WORKFORCE DEVELOPMENT

- Appropriate $6.5 million statewide, in alignment with the Workforce Performance Funding formula, to school district workforce education programs for performance-based industry certifications earned by postsecondary students in the 2019-20 school year.

- Appropriate $3 million statewide to provide grants to technical colleges to establish new apprenticeship programs and expand existing programs.

- Include career dual enrolled and apprenticeship students in the acceleration calculation for state high school grades which is currently provided for academic dual-enrolled students.

In the summer of 2019, in partnership with the Pinellas Education Foundation, the district launched the Summer Career Acceleration Program (SCAP) that matches rising high school seniors with local businesses for a summer internship and industry certification coursework.

Did you know?
Pinellas County Schools has increased the number of Career and Technical Course Industry Certifications earned by students by over 500% from 2011-12 to 2018-19, with the number of certifications increasing from 2,222 to 13,939 (a 3.5 percentage point increase over 2017-18).
Keep Students, Families and Schools Safe

Pinellas County Schools remain fully compliant with the Marjory Stoneman Douglas Public Safety Act and corresponding legislation, including but not limited to:

- Armed presence at every school;
- Facility assessments and hardening measures;
- Facility-level safety plans;
- Monthly drills at every school; and
- Continued collaboration with law enforcement

Pinellas County Schools invested in technological security solutions for monitoring and engaging all law enforcement agencies to ensure safety at all school sites.

- Increase funding for community mental health and substance abuse agencies and require that the new revenue identify specific service slots for students in need of services as identified by public school personnel.
- Require that public facilities, other than K-12 schools, are utilized as hurricane shelters and post-storm support to ensure schools can resume as soon as possible following a storm.

SCHOOL SAFETY AND SECURITY

- Increase total funds for the Safe Schools Allocation to support the full cost of school safety requirements.
- Restore authority of local school boards to levy up to 2.0 mills for capital outlay, continued implementation of the Marjory Stoneman Douglas Public Safety Act and full cost of school safety requirements.
Keep Students in World-Class Facilities

Pinellas County Schools seeks to build upon national recognition as a leader in supporting great teachers, through the development of a Professional Development Center.

State-of-the-art Development Center

Appropriate funds to Pinellas County Schools for a state-of-the-art professional development center to serve as a model for teacher and leadership development and support.

In 2018-19, Pinellas County Schools invested over $100 million in strategic capital improvements, new construction/renovation and building maintenance, so students have access to world-class learning environments.

- Maintain state commitment and structure for funding capital outlay for public schools through Public Education Capital Outlay (PECO).
- Restore authority of local school boards to levy up to 2.0 mills for capital outlay, continued implementation of the Marjory Stoneman Douglas Public Safety Act and full cost of school safety requirements.
