Lincoln Yates

IB School Counselor:
La'Tina Johnson

December 18, 2020

Good afternoon, IB families

Some are receiving this weekly update for the first time as just being added to the parent email list; I apologize that your emails were not added as this was not accessible to me at the start of the year, but I'm happy we have been able to add you to our weekly messages. Until I can create a separate page on our website with a better design, I will continue to post the recent parent emails in our Latest News page on the website that are accessible now.

This is a reminder that the IB Pinning ceremony for the IB juniors is scheduled for 6pm on January 21. We will continue to provide updates as needed, particularly due to COVID-19, but some changes will be made this year to allow this event to be in-person, including limiting the number of guests each student may invite; as of right now each student will be allowed to invite 2 guests, but I will continue to update on this event as things continue to change relating to COVID-19. A formal invitation will be sent to families in the coming weeks and a form will be sent in the next parent email on January 8 to gain information relating to family contact and possibly student images to be displayed as part of the ceremony.

Finally, I would like to say thank you on behalf of the entire IB faculty to all the students and families of the program. We knew this was going to be a challenging year, but even during this challenging time, we have received an enormous amount of support from our IB families, including your incredibly generous gifts for the teachers and staff members in the IB program. The reaction of teachers as they have received the baskets that our parents put together has been one of great appreciation and gratitude. We continue to say that one of the keys to the success of this program and helps make St. Pete IB so special is the family-like culture present as we all work together towards common goals of promoting the growth and success of our students, and with that, I would like to say thank you for your continued support and everything you do for our program.

Have a good day and wonderful holiday break,

Anthony Bryant
Assistant Principal
IB Coordinator

Our School Mission

The mission of St. Petersburg High School is to graduate all of our students with the skills to be successful in a global society by offering a rigorous, safe and supportive learning environment.

The School Board of Pinellas County, Florida, prohibits any and all forms of discrimination and harassment based on race, color, sex, religion, national origin, marital status, age, sexual orientation or disability in any of its programs, services or activities.
