Lincoln Yates

IB School Counselor:
La'Tina Johnson

September 4, 2020

Good afternoon, International Baccalaureate Families

First, I would like to say thank you to all students and families for your hard-work, patience and support these first two weeks. Everyone seems to be settling in to this new school year, but if you have any questions or need any help, please do not hesitate to reach out to the teachers or myself.

Senior parents, the senior packets, including the IB Testing Registration form, are to be turned in on September 8 or 9 to Ms. Derrickson and Mrs. Johnson. Students will drop off the complete forms and receive their personal folders on Devil's Drive September 8 or 9 from 2:30-3pm. This information and resources were posted on Managebac for students, but is also accessible on the [IB Guidance page](#) on our website. Please remind your senior students to take their time completing the forms as the accuracy of that information is very important.

The due date for the final drafts of the extended essays for seniors was pushed back to September 14 to provide them with a little more time for senior students in the program to finish these papers. We will be sending more information next week to students on how these will be submitted, but if you have a senior student, please remind them to contact their advisor if they have any final questions or need any assistance before the final drafts are due.

All students should now have the textbooks they need and all MyPCS students that requested a laptop should now have access to a computer. If for any reason a student did not get the textbooks they need or if any virtual students are in need of a laptop, please let me know.

Finally, if your student or students have any questions or issues, please have them reach out to those teachers for answers and support in the applicable classes. Our teachers are already scheduling and conducting support measures, including tutoring sessions through Microsoft Teams, so we are here help all students, including those completing classes virtually.

As always, if you have any questions, please do not hesitate to reach out.

Have a great weekend,

Anthony Bryant
Assistant Principal
St. Petersburg High School
