

2020 Green Devils Football

Hello Green Devils! We are beginning Phase I limited workouts on Monday, June 15th at 4:30pm. I have attached the guidelines provided by the District of Pinellas County. We will be limited to 3 groups of 9 athletes, totaling no more than 30 people at any one time. We will stay outside during Phase I workouts and will be working on speed development, agility, conditioning, and team building. We will also begin installing our new offense and defense!

As stated, the county is only permitting 30 people on campus at any one time. Due to the circumstances, I understand and respect this decision. However, that means that we cannot have all the players participating that we would like during Phase I. I will therefore be contacting student athletes this week to confirm participation.

- If I do not contact you this week but you're the type of determined player who cannot be stopped and I just don't know it yet; then contact me and we will make it work for you!

Lastly, I definitely understand if you or your loved ones are concerned regarding the unfortunate circumstances effecting us all. I am as well. I want to assure you that I take this situation very seriously and will always make health and safety my absolute #1 priority!

Feel free to contact me if have any questions.
