

OFHS Interact Club

Service Above Self, Connected with Rotary

What is Interact?

Interact is a student-led service club connected with Rotary International. Through Interact, we join a global network of young people committed to making a difference in their schools, communities, and the world. Our partnership with Rotary allows us to connect with inspiring mentors, contribute to meaningful projects, and see the impact of our work on both local and international levels.

Meeting Information

- Every other Wednesday
- Time: 2:05 PM (earliest)
- Remind: Interact26 @sszuka
- Location is always Media Center unless otherwise

Why Join Interact?

Being part of Interact isn't just about building a strong college résumé—it's about making real change. Colleges look for students who are active in their communities, demonstrate leadership, and dedicate their time to service.

Examples of our Community Service Opportunities

- The Red Sleigh Project: Volunteering to support children in foster care by helping collect presents, record prices, and ensure kids who may not have families to celebrate with receive gifts.
- Clothing Drives & Sorting: Assisting with clothing collections for foster children, local charities, and international missions such as the Belize project.

Why It Matters

Every event, every project, every hour you dedicate through Interact creates ripples of positive change. From supporting foster children here at home to helping communities abroad, you are part of giving hope and opportunities to those who need it most.

OFHS Interact Club – Point Sheet

Requirements:

- Each member must earn 15 points for the whole year to remain in good standing.
- Points must be signed off by either the President or Vice President.
- All meetings are mandatory. However, only 3 meetings will count toward points. You will not know which ones in advance—hint: they will most likely be before important events.
- Most points come from volunteering at Interact events/handmade cards.
