

### Frontier Families, PTA needs you!

Being a PTA member does **not** mean you need to be able to volunteer and commit a large amount of time to the school. What it means is that you believe in our school, children and teachers by showing your support. You show your support by simply joining the PTA for \$5.00. PTA provides many things to our school including the school store as part of our schoolwide behavior plan, various activities like the holiday event, and also funds our teacher appreciation week.

This year PTA is also doing a simple Culver's Calendar Fundraiser. For only \$5.00 you receive a calendar from Culvers that has 2 coupons for each month. This calendar more than pays for itself with just a few uses.

We are also offering a special offer combining the 2 items for only \$8.00

Every month, all PTA members' names will be entered into a drawing for a meal from a local restaurant. Be sure to join so your name can be included! Our first drawing will be February, 5th!
