Provide demographic information in the above spaces and then indicate below your elective courses for the coming school year. We will make every effort to schedule you for the elective(s) you indicate. If, however, courses are cancelled due to insufficient enrollment, or are unavailable due to scheduling conflicts, it will be necessary to substitute your **alternative choice**. Elective titles are listed on the back of this form. For description of courses offered at PHUHS, check our website: www.phuhs.org or use the QR Code above. Provide working and current email addresses and phone numbers. Failure to provide accurate information may put you in jeopardy of graduation and/or IB Diploma receipt.

Elective:	
<ul style="list-style-type: none">Many of you have expressed a desire to take PHYSICS (20038365) as one of your electives. Please note that Physics is not required for AP Biology, but MUST be chosen if you intend to take AP Chemistry or Physics in 11th & 12th grades and is required by many out of state colleges.Any students considering an HL math course must take AP Statistics as a prerequisite either as an elective in the sophomore year or online before senior year.	
Alternatives	
**Semester courses necessitate choosing separate course titles and number for each semester.	
**Year-long courses must, as the phrase implies, be taken for both semesters. **Fill ALL alternate spaces, giving careful thought to your choices.	
1. _____	
2. _____	
3. _____	
I have chosen the above courses for the coming year. I understand that I am responsible for my choices.	I have reviewed my child's registration choices for the coming year and concur with them.
