East Lake Middle School Academy of Engineering PTA
1200 Silver Eagle Drive
Tarpon Springs, FL 34688

Dear East Lake Middle School Academy of Engineering PTA,

On behalf of National PTA, I am thrilled to congratulate your PTA and school on being named a 2023-2025 National PTA School of Excellence! Your school and PTA are one of only 319 PTAs and schools nationwide to earn this designation. You should be proud of this accomplishment. It takes special dedication and perseverance to be recognized with this designation, and we commend and thank you for all your hard work!

Your PTA and school are an outstanding example of the amazing things that can be achieved when schools and families work together to accomplish a common goal. Your work to strengthen your family-school partnership by adopting National PTA's National Standards for Family-School Partnerships promotes a learning environment where families feel welcomed, included and empowered to support their child's success and where students feel safe, supported and ready to learn. As a National PTA School of Excellence, your PTA and school will be known as a national leader in family-school partnerships that are making a positive impact for all students, families and your school.

We applaud your hard work and leadership throughout this process. You have made National PTA and your school community proud. Congratulations once again on achieving this significant recognition!

Yvonne Johnson
President, National PTA

2023 - 2025

NATIONAL PTA SCHOOL OF EXCELLENCE

Certificate of Designation

PROUDLY PRESENTED TO
