**Rising 8<sup>th</sup>**

Students attending East Lake Middle School next year are being gifted science based books for summer reading! **Rising 6<sup>th</sup> graders** should receive *Treasure Tracks* by S.A. Rodriguez from their 5<sup>th</sup> grade teacher prior to summer, **rising 7<sup>th</sup> graders** will receive *Futureland: Battle for the Park* by H.D. Hunter from Mrs. Smith prior to summer break, and **rising 8<sup>th</sup> graders** will pick up *Mission Multiverse* by Rebecca Cabrera from a pickup site below due to shipping delays. Between **June 16<sup>th</sup>-June 26<sup>th</sup>** students can stop by the front office at any of these locations to grab their free copy between the hours of **8:00 am-12:00 PM**. **If for any reason your student did not receive their book from school, you may pick up a copy at any of the school below June 16-26<sup>th</sup> from 8am – 12 pm**. The book will also be available via SORA for those that prefer to check out a digital copy. Books can be read on any digital device, including cell phones.

When we return to school, students will have an assignment with the book. Directions will be assigned in our ELA classrooms at the beginning of the school year. So, all students need to do over the summer for ELA is read their assigned book. Please keep the book through the summer and bring it next school year.

If students would like additional reading suggestions over the summer, we highly recommend Sunshine State Young Readers Awards Books chosen by the state each year. These titles are used for our Boys Read Program and Battle of the Books. We have also included the list of those books below.
