

Summer Homework 2022-2023

Incoming 6th, 7th, and 8th grade students should self-select a fiction or non-fiction book to read over the summer. The book you choose should not have a film adaptation. The Lexile list below, should assist you in selecting books that are at the correct grade level for your student.

An assignment to accompany this reading will be given by your ELA teachers when we return to school in August.
