

DreamBox Learning

# Fall Math Challenge

Students: complete 5 lessons per week to be eligible to win!

Families,

Your student's classroom has registered for the DreamBox Fall Math Challenge! Let's have some friendly competition and build math skills this fall!

## Here's how it works:

Learn in DreamBox: Students complete 5 lessons per week during the duration of the challenge.

Win prizes: Students who complete the recommended lessons will be eligible to win weekly prizes. There will also be a grand prize drawing at the end for students who have consistently completed 5 lessons per week.

Your Partner in Learning,  
The DreamBox Team
