

PreK - 5th Grade Requested and "Wish List" School Supplies for 2018-2019

It would be very helpful if you could provide the following items that we will use as we learn and grow this year. Some list large quantities for use throughout the year, and as school supplies are significantly cheaper and on sale at the beginning of the school year. Please be aware that some items may go into a shared, group use tub in the classroom.

One item all students need is a full size backpack. Please write your child's name inside with a permanent marker. Because of our concern for safety in the halls, student backpacks should not have wheels.
