What does PTA do?

- ORGANIZE** Organizing school events, family activities, and fundraising is a key part of our PTA.
- ENHANCE** Through fundraising efforts, we help provide student and teacher necessities, funding for technology, and other student enriching activities.
- SUPPORT** We aim to provide support for our students, staff and families.
- INVOLVE** We help to plan community events, during and outside of school hours, that brings us together in meaningful ways.

What is PTA? How do I get involved?

PTA stands for Parent Teacher Association, which is a volunteer-run organization with a mission to make schools a better place for students to learn and grow.

We are a group of parents, family members, teachers, and administrators that work together to create fun events, purchase necessities for the school, and collaborate with others to make our students' time the best possible!

We are always looking for volunteers and you are more than welcome to join us!
