

# Counselor's Corner

LAKEVIEW FUNDAMENTAL ELEMENTARY SCHOOL

## MEET YOUR INTERN SCHOOL COUNSELOR

**BY: MRS. MCCAY**

My passion for school counseling began during my 8 years of teaching Visual Arts. I quickly noticed a connection between students' social emotional growth and the arts. I have always loved serving children at the elementary level. Younger children have a genuine curiosity in their learning and the world around them, as well as the opportunity for early intervention support that can have a lifetime positive impact on a child.

As the Intern School Counselor my primary responsibility is to promote the academic, career, and social/emotional development of all students. I look forward to offering support to the Lakeview Fundamental students, staff, families, and community. I will be meeting with students individually and in small groups, conducting classroom counseling lessons, meeting with parents, and collaborating with teachers and staff to benefit, meet the needs, and advocate for all Lakeview Fundamental students.

## THE WORD OF THE MONTH - AUGUST

### RESPECT

*Respect* means to treat others and yourself with kindness, courtesy, and consideration.

*Examples:*

- It is respectful to listen to others and their feelings.
- It is respectful to say nice things to others and about others.
- It is respectful to use nice manners like please and thank you.
- It is respectful to share and wait patiently for our turn.

## HOW CAN I SUPPORT MY STUDENT'S LEARNING AT HOME?

### MAKE AN AFTERNOON ROUTINE

It is important for students to find consistency and creating a daily routine will help students transition from school to home. Some helpful tips are: Have a snack before homework. Provide a quiet and distraction free place to do homework. After homework is finished do something fun!

### CHECK ON YOUR STUDENTS DAY

After school each day, check-in with your student and find out what exciting things happened during the school day. What did they learn, what fun activities did they do, and check their folder for notes from the teacher and homework!

### READ WITH YOUR STUDENT

Promoting reading is something we can all work on as a team. Take a few minutes each night to read with your student. They can read to you, you can read to them, or you can read together.

Let's promote reading together to optimize student learning!
