EXTENDED LEARNING PROGRAM / HIGH SCHOOL CREDIT APPLICATION

Student Name _____ Counselor _____ Grade _____

The above named student is requesting permission to attend the Extended Learning Program. In order for the student to attend class in the Extended Learning Program, the parent or guardian must indicate approval by reading the following carefully and signing the form below. Students must return this completed form to Dr. Taylor's office in Guidance.

Classes in the Extended Learning Program are competency-based. Students must complete all required assignments to receive credit for the course. Regular attendance is required to allow adequate time for course completion. The Grad Point online program is used for ELP. Students will be able to receive grade forgiveness (to replace a grade of 'D'), credit recovery (to replace a grade of 'F') or tutoring. This program is in operation on Mondays, Tuesdays, Wednesdays and Thursdays from 2:15 to 4:15, through Adult Education. Students will meet in Media Center and then go to respective classrooms for specific tutoring.

Place an 'x' next to the service that is needed and indicate specific subject needs by placing an 'x' in the appropriate box:

PROGRAM POLICY EXPECTATIONS:

- Students are expected to be on time to the ELP classroom.
- Students should plan to complete all the requirements of the course to receive credit.
- **It is an opportunity and privilege to attend the Extended Learning Program. A student may be suspended or expelled from the program because of disruptive behavior, use of drugs or alcohol, smoking, or other violations of the Code of Student Conduct.**
- Students with excessive absences will be removed from the program. (More than five unexcused absences per semester and you may automatically be withdrawn from the program.)
- Transportation is not provided. **Parents are responsible for transportation.**

I have read and understand the above. All required signatures must be present before a student's enrollment in the Extended Program is complete.
