VISION

Learning Gains for Every Student, Every Day

MISSION

To provide challenging learning experiences in a safe learning environment so that all students are prepared for continued education, career, and life

STRATEGIES

Meaningful and Timely Feedback

Ensuring students receive meaningful and timely feedback will improve and enhance student learning and progress toward learning goals.

Consistent Collaboration

Teachers will consistently collaborate during Professional Learning Communities to plan high quality instruction and assessments.

Family Engagement

Family engagement is a cornerstone for building broader connections to the school community and academic growth of all students.

PATHWAYS TO ACHIEVEMENT

Collaboration: Spartans collaborate with one another to plan and execute effective lessons to meet the needs of all learners and maximize student achievement and success.

Communication: Spartans maintain consistent open communication to foster a culture of transparency and openness with all stakeholders—students, families, staff, and the Tarpon Springs community.

Community: Spartans place an emphasis on building a positive learning environment and wider school community that builds upon the strengths of our learners and staff.
