What an amazing month of celebration, activities, and learning for Black History Month. This month of celebration was capped off by the Clearwater Jazz Holiday Outreach Band giving students a glimpse into the history of jazz and the influence of black musicians on this uniquely American art form. Looking ahead to March, I truly cannot believe Spring Break is just around the corner. Spring Break this year is March 16-20. This month also marks the end of the third grading period on March 13. Please know that report cards will be coming home with all students on April 6. I hope everyone enjoys a week of rest and relaxation with friends and family. 

**Upcoming State Testing Dates**

Our intermediate teachers and students have been working hard to prepare for the FSA Writing Assessment and Reading assessment for third grade. The assessment period begins with students in grades 4 and 5 taking the FSA writing assessment on Tuesday, April 1 and our third graders taking the FSA Reading Assessment on April 1-2. A detailed spring assessment schedule is included in this newsletter. Please make note of these important testing days and make sure your child arrives to school on time, has had a good breakfast, and is well rested. As always, thank you for your continued support of Davis and I look forward to seeing you around campus at our various events.

**Safety Harbor Middle School Expo Night**

March 10, 2020

5:30-7:00

Don’t miss out on the opportunity to take a tour of Safety Harbor Middle School, meet the school administrators, faculty, learn about school programs and activities, find out about parent involvement opportunities, and learn about next year’s schedule. The team at Safety Harbor is excited to meet you and show you all of the great things Safety Harbor Middle has to offer!

The 6th grade guidance counselor will be visiting Davis this week to meet with 5th grade students and will be bringing flyers to share about the Expo Night and the Course Selection sheets.

**ESE Parent Survey**

The annual Exceptional Student Education parent survey conducted by the Florida Department of Education will be available through May 31. The survey is an opportunity for ESE parents to provide feedback on their school involvement as well as to provide comments on the school their child attends. This type of parent input is critical in determining if the district will meet the requirements for the state’s Annual Performance Report. A hard copy of the parent survey will be sent home with students and an electronic version is posted online at [www.esesurvey.com](http://www.esesurvey.com)
Greetings from the Café!

March 2nd is Dr. Seuss’s birthday. I will have a coloring contest for all who want to participate. All the submissions must be relevant to a Dr. Seuss book. I will award prizes for the Top 3 submissions. I do have standard color sheets, but students can create their own pictures as well.

Please encourage your child to participate. The deadline will be March 06. I will most likely announce winners early the following week. I also will post drawings on our Café walls for all to see.

Just a quick reminder, if life throws you curveballs and you find yourself struggling financially, please know that you may apply for Free/Reduced lunch at www.myschoolapps.com anytime throughout the school year. If approved you would carry this status for the rest of the school year. You must always re-apply each new year to maintain status.

Credit card payments for lunch accounts can only be made on the www.myschoolbucks.com. The school only accepts cash or checks. If there are siblings you can write one check, and just notate in Memo to split up.

If you are curious as to what your student is choosing off the menu each day, you may view their purchases at www.myschoolbucks.com.

Lunch Pal Mentors Needed
As a part of my comprehensive school counseling program, I visit classrooms approximately once every six weeks to provide direction instruction on a variety of topics. Classroom lessons fall into the academic, career, and/or personal-social domains are aligned with the Florida Standards, Florida School Counseling Framework, and the American School Counseling Association mindsets and behaviors.

In January, I provided lessons on the following topics:

- **Kindergarten** – Showing others you care about them
- **1st, 2nd, 3rd, 4th** – Child Safety Rules from Child Safety Matters
- **5th** – Internet Safety

**NEW IN FLORIDA – REQUIRED CHILD TRAFFICKING PREVENTION EDUCATION**

Florida now requires all students in Kindergarten through fifth grade receive child trafficking prevention education. In Pinellas County these lessons are taught by school counselors. In my February lessons with students in 1st – 5th grades, we discussed the 5 Safety Rules from Monique Burr’s Child Safety Matters to help students identify red flags and what to do if they find themselves in an unsafe or uncomfortable situation. At the end of the lesson, students completed an activity to identify safe adults they could talk to. Students were asked to share this assignment with their families. Kindergarten students will complete this lesson in May.

**MIDDLE SCHOOL INFORMATION**

5th graders will be bringing home a Course Request Sheet (Elective Sheet) in the first week of March. They will receive this form for the middle school that Focus shows they will be attending.

**Please be sure that we have your correct address to ensure you receive the correct middle school form.**

If you need to update your address, please bring in proof of residence to our DMT, Tabitha Ellis.

**AVID Elective:** For information about AVID electives in middle school, or to apply for the AVID elective for your child, please visit [www.pcsb.org/avidapp](http://www.pcsb.org/avidapp)

Your child may be eligible to receive a bag of free food every Friday. All the food is nutritional and non-perishable.

If you would like to sign up for this program, please contact Vanessa Lofstedt, School Counselor at (727) 725-7972 x2010 or lofstedtv@pcsb.org.

5 tips to reduce TEST ANXIETY in CHILDREN

1. PUT TESTS INTO PERSPECTIVE
   - Encourage children to do their best, but remind them that one test won’t make or break their future.
   - Tell them they will be loved and valued no matter what test score they earn.
   - Explain this test will provide helpful information about what they’re good at and what they still need to practice.

2. HELP THEM PRACTICE
   - If your child is nervous, start by asking why they feel nervous.
   - Consider finding practice tests online you can discuss together.
   - Don’t push your child to study for the test; these tests are meant to measure what your child already knows.

3. PROVIDE USEFUL TEST-TAKING TIPS
   - Answer the easiest questions first, mark difficult questions and return to them later
   - Use process of elimination, crossing out the answer choices you know are wrong
   - Make an educated guess when needed
   - Read all the answer choices before choosing one
   - If penalized for incorrect answers, don’t guess unless you can eliminate some answer choices
   - If aren’t penalized for incorrect answers, don’t leave any questions blank. If time is about to run out, bubble something for each unanswered question

4. TEACH CALMING STRATEGIES
   - Experiment with calming strategies to find some go-to techniques.
   - Remind them they won’t know every single answer on the test, and that’s okay.
   - Give them a plan for what they will do if they don’t know an answer.
   - Equip your child with a few strategies that effectively calm them. Spend some time practicing these strategies before test day.

5. PROVIDE ENCOURAGEMENT
   - If your child voices a negative statement, like, “I know I’m going to fail,” acknowledge your child’s feelings: “I know you’re feeling nervous about the test. Tests can be scary.”
   - Counter with a positive and encouraging statement: “You’ve practiced really hard and learned a lot this year. You might know a lot of the answers and get a higher score than you’re expecting.”
   - You can also leave your child encouraging messages in a backpack or on the mirror with dry-erase markers.

BONUS TIP:
- Choose movement and exercise
- Get plenty of rest
- Stick to your usual bedtime routine
- Avoiding excessive screen time
- Providing a protein-rich breakfast in the morning, like oatmeal or eggs
- Keeping conversation positive, encouraging, and light-hearted.
- SHARE laughter and sing favorite songs on the way to school, if driving. Listen to our Big Life Journal playlists on Spotify!
- Leave your child with a big hug and words of encouragement.
A Family Password is designed to increase your child’s safety and empowers them with the ability to make safe choices with confidence. A Family Password can be one word or a short phrase that has meaning to your family and is known within the immediate family. Use of the Family Password communicates to your child that they are safe and that you have knowledge of the word being used.

Create a Pickup Password

It’s important to have a system for pickup after school or after extracurricular activities. Your child’s safety depends on it. Most parents tell their child if someone else will be picking them up. Sometimes the parent might forget, or there may be an emergency that prevents the parent from being able to be there. Creating a Pickup Password enables your child to determine that it is safe to get in the car with someone other than you because that word has been shared by you with the person who is authorized to pick up your child.

You can have confidence that your child will know not to get into a car with anyone unless they know the correct password.

Empower your child with the tools to tell if someone is trying to get access to them without your approval. It is important that your child understand that if someone does not have the password, they are not to go with them without your approval, or share information with them, and that they need to tell an adult immediately.
Handwashing is an easy, cheap, and effective way to prevent the spread of germs and keep kids and adults healthy. When your family is healthy, you don’t have to worry about missing school, work, or other activities.

Help your child develop handwashing skills

Parents and caretakers play an important role in teaching children to wash their hands. Handwashing can become a lifelong healthy habit if you start teaching it at an early age. Teach kids the five easy steps for handwashing—wet, lather, scrub, rinse, and dry—and the key times to wash hands, such as after using the bathroom or before eating. You can find ways to make it fun, like making up your own handwashing song or turning it into a game.

Lead by example

Young children learn by imitating the behaviors of adults in their lives. When you make handwashing part of your routine, you’re setting an example for your children to follow.

www.cdc.gov/handwashing

This material was developed by CDC. The Life is Better with Clean Hands Campaign is made possible by a partnership between the CDC Foundation, GOJO, and Staples. HHS/CDC does not endorse commercial products, services, or companies.
Building handwashing skills takes time. At first, your child will need regular reminders of how and when to wash hands. It is especially important to remind children to wash their hands after using the bathroom, before eating, after touching pets, after playing outside, and after coughing, sneezing, or blowing their nose. But once handwashing becomes a habit and a regular part of your child’s day, they will practice it throughout their lives.

Give frequent reminders

Handwashing can prevent

1 in 3 cases of diarrhea

1 in 5 respiratory infections, such as a cold or the flu

What if soap and water aren’t available?

Washing hands with soap and water is the best way to get rid of germs. If soap and water are not readily available, use an alcohol-based hand sanitizer that has at least 60% alcohol.

Did you know?

Baby wipes may make your hands look clean, but they’re not designed to remove germs from your hands. CDC recommends washing hands with soap and water when possible.

Remember to make handwashing a healthy habit at home, school, and at play!
Help prevent the spread of respiratory diseases like COVID-19.

- **Avoid close contact with people who are sick.**
- **Cover your cough or sneeze with a tissue, then throw the tissue in the trash.**
- **Avoid touching your eyes, nose, and mouth.**
- **Clean and disinfect frequently touched objects and surfaces.**
- **Stay home when you are sick, except to get medical care.**
- **Wash your hands often with soap and water for at least 20 seconds.**

For more information: [www.cdc.gov/COVID19](http://www.cdc.gov/COVID19)
Tips to Avoid Illness:

1. **Eat Healthy**: Fruits, Veggies, Lean Protein & Complex Carbs (i.e., whole grain pasta or grains)
2. **Get Plenty of Rest**: 8 – 9.5 hrs. of Solid Sleep
3. **Drink Water**: 8 - 8 oz. glasses per day = 2 Liters or ½ a Gallon.
4. **Wash Your Hands w/ Soap & Water!** Hand Sanitizer is the next best option if you don’t have soap and water.
   - Wash after using the restroom
   - Wash if you sneeze or cough into your hands (best to cough/sneeze into your elbow.)
   - Wash before preparing food
   - Wash if you’ve helped someone who is sick

**Avoid Touching these areas of your face!**

ALL PRO DAD- DAD’S DAY  
Friday, 3/27/20 at 7:45am Leila Davis Media Center

By: John Varlese Jr- Team Captain and proud father of a Third Grader

We have a busy month ahead of us, and it’s going to packed with fun activities for the entire family to enjoy. For those that may not be aware about our All Pro Dad Chapter, we meet in the morning once a month at the school with our kids and have a great time embracing the wonders of fatherhood.

All Pro Dad’s Day is an exceptional and fulfilling monthly event held at Leila Davis welcoming dads, along with all strong family role models (male or female), to spend quality time bonding with their children, strengthening their family relationships, along with building up an involved and dedicated grouping of families within the Davis Community. Come out and enjoy a welcoming breakfast together, discuss openly how proud you are of your kid(s), partake in character building exercises, explore some key parenting topics, and at the end of the meeting kids will even have an opportunity to win our monthly raffles.

We encourage our All Pro Families (Dads/Moms/Grandparents/or other strong family role models) to join us at our next All Pro Dad’s Day Friday, March 27th at 7:45am in the school’s media center, this month’s topic will focus on “Courage”. Courage is the ability to face and overcome fears. It is an important attribute of your child’s character. Raising children to be courageous gives them the tools to conquer difficult challenges.

In addition to our monthly Dad’s Day we also host various other events that encourage family involvement. On Saturday March 7th (9:00-Noon) our chapter will be joining other chapters within the Tampa Bay area to partake in a unique family bonding experiences on the field of Raymond James Stadium. If you would like to join us register online at https://www.allprodad.com/event/2020-tampa-all-pro-dad-experience/ use the $10 off promo code: MEMBER.

The following day on Sunday March 8th (9:00-11:00am) join us as we continue our efforts in keeping our community clean through our Landmark Drive Adopt-A-Street Program. We launched this program back in November with great success, and we thank those families that came out and collected over 26lbs of trash. Great Job! Our All Pro Dad Chapter will continue take on this responsibility three times a school year.
Also, on Thursday March 26th at 6pm, the battle you all have been waiting for Kids vs Parents in the ultimate showdown with winner taking home all the bragging rights. Join us for our Family Kickball game and partake in some lasting memories while enjoying some physical exercise along with pizza, and light snacks provided by our tremendous PTA.
