A Message from Mr. Durst

What an amazing month of teaching and learning here at Davis. We have combed over our student performance data from first semester and are working diligently to address our areas of needed growth. Our school continues to show great academic growth in reading. In fact, our performance in reading is forecasted to be higher than ever before. We have already increased the percentage of students showing proficiency in reading to 72%. Our performance in mathematics on the Winter MAP assessment projected our proficiency to be at 58% with our biggest area of focus still on students showing growth or learning gains. With that said we are approximately 15% lower in math proficiency from the Winter of 2020 assessment a year ago. Mathematics was predicted to "slide" much further than reading during the pandemic. Please know that we have a comprehensive mid-year plan in place to ensure our students achieve their learning goals.

You may be thinking, "How can I help my child?". The biggest impact parents and guardians can have on math achievement is to encourage your child to have open dialog with teachers, confer with your child regarding their performance in math, and complete their recommended 5-10 lessons per week on Dreambox for grades K-2nd and 10-15 lessons for grades 3-5.

Continued...

For reading, take the time to read with your child as often as possible, and more importantly, ask them questions about their reading that would indicate whether or not they are comprehending what they have read. iStation can also improve and address any skill deficits your child has in reading. iStation and Dreambox are completely adaptive and are designed to meet them “where they are” and move them forward. Please reach out to your child’s teacher for ways you can support at home. Simple strategies like the ones mentioned above will pay major dividends in student achievement at the end of the year.

Safety Harbor Middle School
Expo Night
March 9, 2021
6:00 - 7:00 PM
<https://tinyurl.com/Safety-Harbor-MS-Articulation>

Don’t miss out on the opportunity to take a virtual tour of Safety Harbor Middle School, meet the school administrators and faculty, learn about school programs and activities, find out about parent involvement opportunities, and learn about next year’s schedule. The team at Safety Harbor is excited to meet you and show you all the great things Safety Harbor Middle has to offer!

Also included in this month’s newsletter are the links for all Pinellas County Schools Expo Nights for middle school.

ESE Parent Survey

The annual Exceptional Student Education parent survey conducted by the Florida Department of Education will be available through May 31. The survey is an opportunity for ESE parents to provide feedback on their school involvement and to provide comments on the school their child attends. This type of parent input is critical in determining if the district will meet the requirements for the state’s Annual Performance Report. A hard copy of the parent survey will be sent home with students and an electronic version has been posted online at www.esesurvey.com

Kindergarten Registration for 2021-22

Spread the news to your friends and neighbors with children entering kindergarten next year that spots are limited and filling up fast. Parents of incoming kindergarteners will need a FOCUS username and password to access the Student Reservation System <https://www.pcsb.org/Page/2862> . Once in the system, parents will be able to reserve their seats in the best elementary school in Pinellas! Please call the front office if you have any questions about kindergarten registration.

Dreambox and iStation

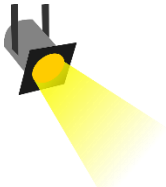

Dreambox and iStation are computer programs all students at school have access to by logging into Clever. Both programs are designed to support your child at their instructional level and their personalized needs for math and reading. Each program has a weekly goal for students to reach to stay on track and move them further in their learning.

Dreambox, which supports math learning, has a goal of 5-10 lessons each week for students in grades Kindergarten to 3rd grade. 4th and 5th graders have an expectation of at least 10 lessons each

week.. iStation has been the reading program in use by Pinellas county for several years. All students are assigned at least 30 minutes of iStation a week.

Teacher Spotlight

Ms. Julie Purcell

Hi! I am Julie Purcell. I am a Florida native growing up in Stuart, Florida and moving to Clearwater after attending St. Leo University. Go Lions!!! I have been a teacher for 23 years with 18 years spent focusing on gifted

education. I have 2 boys who have both been Davis Bear Cubs and keep me quite busy. Andrew is a sophomore who swims and plays soccer. Jude is a 6th grader who plays football, soccer and baseball. If I am not cheering my boys on at their respective sporting events, I enjoy the beach, reading, cooking, traveling and spending time with my family and friends.

Clothing needed for our clinic! Clean new boy and girl underwear of all sizes needed (4T-12), along with gently used socks and shorts.

All Family Members Welcomed

ALL PRO DAD

Online Virtual Meeting

SAT. MARCH 20TH
9:00AM

TOPIC: HUMILITY

WHAT TO EXPECT

- 1 Online Breakfast | Bring Your Own Breakfast to enjoy
- 2 Pride Exercise | Tell your child why you are proud of them
- 3 Character Building Topic | Based on our monthly theme
- 4 Team Up Online | With other dads and kids
- 5 Discussion Time | Both group and family discussions
- 6 Pro Tips | Downloadable activity sheets to be posted
- 7 Game Time | Partake in an online game with the group

Level 2 Volunteers, Be on the lookout for a sign up genius in the near future for proctoring during our FSA Testing. We are super excited we will be able to have Level 2 volunteers on campus for this event and we would be beyond grateful if you could sign up when the time comes.

The state of Florida has continued to make revisions on state testing in order to be able to accommodate all students and schools. In the near future, students in third, fourth, and fifth grade will bring home letters with specific testing dates. For now, please see the below table with this year's testing windows.

English Language Arts (ELA), Mathematics, and Science	
Dates	Assessment
April 5- 16 30, 2021	Grades 4-10 ELA Writing Grade 3 ELA Reading
May 3- 14 28, 2021	Grades 4-6 ELA Reading Grades 3-6 Mathematics
May 3- 28 June 11, 2021	Grades 7-10 ELA Reading Grades 7 & 8 Mathematics
May 10-21 3-28, 2021	Grades 5 & 8 Science

PBIS Rewards

As part of our School Improvement Plan, this system of rewards is designed for students to be recognized and rewarded for desirable student behavior. Students are rewarded "Bear Bucks" which can be rewarded in the classroom and school-wide.

Every student can be recognized by any staff Member. Bear Bucks can be redeemed in the class store or for school-wide events.

This PBIS initiative for our Face-to-Face and MyPCS students reaps big results for our students and us. The results can lead to improved attendance, positive behavior, and increased instructional time.

Above all, moving our PBIS initiative forward will benefit our community at large over the long term. Strong, successful schools build strong, successful students. As a family, your commitment to PBIS this year can help our Bear Cubs accomplish great things!

Level II Fingerprints

Have you gone for your fingerprints for your Level II volunteer status, but have not gotten your Level II badge? If so, contact Mrs. Reed at reeddom@pcsb.org so you can get your paperwork for your badge.

How do I become a volunteer? Log on to www.pcsb.org/volunteerregistration and fill out the online application. Put a current email on your application and you will receive a notice that you have been approved and it will include your username and password for your volunteer profile.

Adopt-A-Class & Program Sponsorship

Our students truly benefit from the sponsorships created for the school. With the additional funds provided through these relationships, our students are offered additional opportunities that may not have been

otherwise possible without the assistance of our community members. There are continuing budget cuts which makes it imperative that we reach out to our families and community for support. If you are interested in sponsoring a class, please see the front office or your child's teacher for more details.

Davis Business Partner (\$350 and up)

- Wulf Family

Davis Dreamers (\$300 and above)

- Pfeffer/Pinizzotto Family

Davis Partner (\$200-\$299)

- Brinkman Family

Davis Friend (\$100-\$199)

- Shaffer Family

Davis Associate (up to \$99)

Events and information are posted on Peachjar. To register and receive all school e-flyers go to

www.peachjar.com. If you are already signed up for Peachjar at another school, just add our school by going to your profile and clicking on "My Account," then click on notification preferences and choose our school.

Lunch Pal Mentors Needed

If you love children and want to make a difference in their lives, please come mentor students in need of a good role model to teach them how to succeed in life. It will only take 30 minutes of your time each week to make a difference with a child. (*We are currently only doing*

virtual mentoring until further notice.) Here is a list of training workshops available:

Lunch Pal Training Dates

- 3/4/2021 - 9:00 a.m. - 10:30 a.m.
- 3/10/2021 - 11:30 a.m. - 1:00 p.m.
- 3/25/2021 - 9:00 a.m. - 10:30 a.m.
- 4/07/2021 - 5:00 p.m. - 6:30 p.m.
- 4/15/2021 - 9:00 a.m. - 10:30 a.m.
- 4/29/2021 - 9:00a.m. - 10:30 a.m.
- 5/11/2021 - 5:00 p.m. - 6:30 p.m.

To sign up for a training class click here: [Pinellas County Schools Virtual Mentor Workshops \(smartsheet.com\)](https://www.pinellascountyschools.org/virtual-mentor-workshops)

<https://www.healthiergeneration.org/articles/how-kids-can-sleep-smarter-and-perform-better>

Bed Times Matter!

According to the GENYOUth survey, 60 percent of students who get eight or more hours of sleep go to bed around the same time each night. Students who do not have a regular bedtime, about one-third of the survey respondents, get six or less hours of snooze time. Students with a set bedtime usually go to sleep around 10:00 p.m. Those without, on average, go to bed around 11:00 p.m. and are more likely to stay up past midnight.

So how much is enough? Is your child getting the adequate amount of quality sleep? Check out the American Academy of Sleep Medicine's recommendations³.

HOW MUCH SLEEP DO KIDS NEED?

AGE	SLEEP PER DAY
4-12 months	12-16 hours (including naps)
1-2 years	11-14 hours (including naps)
3-5 years	10-13 hours (including naps)
6-12 years	9-12 hours
13-18 years	8-10 hours

Classroom Lessons

As a part of my comprehensive school counseling program, I visit classrooms approximately once every six weeks to provide direct instruction on a variety of topics. Classroom lessons fall into the academic, career, and/or personal-social domains and are aligned with the [Florida Standards](#), [Florida School Counseling Framework](#), and the [American School Counseling Association mindsets and behaviors](#).

In February, I provided lessons on the following topics:

Kindergarten – Perseverance

1st – Diversity

2nd – Conflict Resolution

3rd – Bullying Prevention

4th – Conflict Resolution

5th – Perspective

Teach Your Child to be Honest

- 1. Reward the Truth**
Reward honesty with loads of praise and hugs. It will build self-confidence and reinforce the positive behavior.
- 2. The Art of “Spin”**
The brutal truth should not always be spoken. We have all heard the saying, “If you don’t have something nice to say, don’t say anything at all.”
- 3. The Hard Truth**
Correct morals always trump protecting the feelings of someone who is doing wrong. Wrong is always wrong.
- 4. The Apple Doesn’t Fall Far From The Tree**
As is always the case, you are the role model. You do not want your child to hear you telling a lie or see you perform a dishonest act.
- 5. Do Not Lead the Witness**
Though it’s tempting to test them, try to avoid asking questions that give your child a chance to not be honest. This leads her to believe she might have a way out and could possibly pass blame elsewhere.
- 6. Truth or Consequences**
It’s important that there be consequences for lying. Appropriate discipline should be carried out and followed through.
- 7. Correct Mistakes**
Catching your child being dishonest is a good time to help him correct the mistake. Talk about how he could have responded or reacted differently.
- 8. Your Word Is Gold**
One of the most important character traits a person can possess is keeping and following through on promises made. Teach your children to be people who consider their word gold. When they give it, they don’t break it.
- 9. What’s Yours Is Yours**
The best policy is to teach a child early on that what they have belongs to them. What other people have belongs to that person.
- 10. Look for honest friends**
If your child’s friends lie and cheat, your child may follow that example. But if your child’s friends are upstanding and honest, your son or daughter will be that much better off.

From www.allprodad.com

MIDDLE SCHOOL INFORMATION

5th graders will be bringing home a Course Request Sheet (Elective Sheet) in early March.

Please return your child’s completed Course Request Sheet by Wednesday, March 10.

Students will receive the form for the middle school that Focus shows they will be attending.

Please be sure that we have your correct address to ensure you receive the correct middle school form.

If you need to update your address, please bring proof of residence to our DMT, Tabitha Ellis.

AVID Elective: For information about AVID electives in middle school, or to apply for the AVID elective for your child, please visit

www.pcsb.org/avidapp

If you have questions or need assistance, please contact your child’s teacher or Mrs. Gualtieri.

Clothing Assistance

Clothes to Kids provides new and quality used clothing to low-income, school-age children in Pinellas County, free of charge.

Requirements for Shopping at Clothes To Kids

(1) You must live in Pinellas County. (2) Your child(ren) must be school-age (4-year-old PreK-12th grade) and attend a Pinellas County school. (3) Your family must be considered in financial need of assistance.

Please call Clothes to Kids at 441-5050 to schedule an appointment. You will need your free/reduced lunch letter to shop.

If you need a referral to Clothes to Kids please contact Mrs. Lofstedt (school counselor) or Mrs. Cohen (the school social worker). Once you receive the referral, you can call Clothes to Kids to schedule your appointment. Eligible children may shop twice in a twelve-month period (a referral is needed each time).

Maternity Leave

I will be out on maternity leave beginning around March 4th and plan to return on June 1st.

If you need assistance with supporting the mental health needs of your child, please contact Lilia McGraw, school psychologist, and/or Jennifer Cohen, school social worker.

5

tips to reduce

TEST ANXIETY in CHILDREN

Big Life Journal

1 PUT TESTS INTO PERSPECTIVE

- Encourage children to do their best, but remind them that one test won't make or break their future.
- Tell them they will be **loved and valued** no matter what test score they earn.
- Explain this test will provide **helpful information** about what they're great at and what they still need to practice.

2 HELP THEM PRACTICE

- If your child is nervous, start by **asking why** they feel nervous.
- Consider **finding practice tests** online you can discuss together.
- **Don't push your child** to study for the test; these tests are meant to measure what your child already knows.

3 PROVIDE USEFUL TEST-TAKING TIPS

- Answer the **easiest questions first**, mark difficult questions and return to them later
- Use **process of elimination**, crossing out the answer choices you know are wrong
- Make an **educated guess** when needed
- **Read** all the answer choices before choosing one
- If penalized for incorrect answers, don't guess **unless** you can eliminate some answer choices
- If aren't penalized for incorrect answers, **don't leave any questions blank**. If time is about to run out, bubble something for each unanswered question

4 TEACH CALMING STRATEGIES

- Experiment with **calming strategies** to find some go-to techniques.
- **Remind** they won't know every single answer on the test, and that's okay.
- Give them a **plan** for what they will do if they don't know an answer.
- Equip your child with a few strategies that effectively calm them. Spend some time **practicing these strategies** before test day.

5 PROVIDE ENCOURAGEMENT

- If your child voices a negative statement, like, "I know I'm going to fail," **acknowledge your child's feelings**: "I know you're feeling nervous about the test. Tests can be scary."
- Counter with a **positive and encouraging** statement: "You've practiced really hard and learned a lot this year. You might know a lot of the answers and get a higher score than you're expecting."
- You can also leave your child **encouraging messages** in a backpack or on the mirror with dry-erase markers.

BONUS TIP:

HELP THEM FEEL THEIR BEST ON TEST DAY

- Choose movement and exercise
- Get plenty of rest
- Stick to your usual bedtime routine
- Avoiding excessive screen time
- Providing a protein-rich breakfast in the morning, like oatmeal or eggs
- Keeping conversation positive, encouraging, and lighthearted
- Share laughter and sing favorite songs on the way to school, if driving. Listen to our Big Life Journal playlists on Spotify!
- Leave your child with a big hug and words of encouragement

KNOW YOUR APPS

THESE ARE JUST A FEW OF THE APPS WHICH CAN BE USED BY CHILDREN AND PREDATORS.

Ask.fm
Ask.fm is known for cyber bullying. The app encourages users to allow anonymous people to ask them questions.

Badoo
Badoo is a dating and social networking app and website. While users under age 17 are unable to share private photos, kids can easily create an account using a different age.

Bumble
Bumble is similar to the popular dating app Tinder, however, it requires women to make the first contact. Kids have been known to use Bumble to create fake accounts and falsify their age.

Calculator%
Calculator% is only one of several secret apps used to hide photos, videos, files, and browser history.

Discord
Discord is an anonymous chat platform that was originally used for chatting between gamers. While that is still it's main purpose, other harmful content like pornography and hate speech has been found in chat rooms.

Grindr
Grindr is a social networking and dating app directed towards gay, bi, and trans people. It allows users to locate and chat with other nearby users.

Holla
Holla uses an algorithm to match the user to meet new people from all around the world over video chat for a designated amount of time.

Hot or Not
Hot or Not encourages users to rate profiles, check out other people in their area, and chat with strangers. The goal of this is to hook up.

Houseparty
Houseparty is a video streaming app designed for live video chatting. It has some safeguards built in, but choose your friends wisely as their sharing becomes the quality of the app.

Instagram
Instagram is an online mobile photo sharing, video sharing, and social networking that enables users to share publicly or privately on the app as well as through a variety of other social networking platforms.

KIK
Kik is an instant messaging service for cell phones. Users can send text messages, photos, and videos from a username. Kik is known for preserving users' anonymity, preventing them from being located on the service (including by the company).

LiveMe
LiveMe is one of the top broadcasting apps where users are able to meet stars, become stars, grow a fan base, meet friends, date, play games, and send virtual gifts in order to catch broadcaster's attention. Getting noticed is a driving factor behind this app.

MeetMe
MeetMe is a social networking site connecting users based on GPS locations. Users can send text and images through the service. MeetMe is commonly used as a dating application.

Monkey
Monkey is intended to create a community of teens able to find others with shared interests. Users are randomly matched with other users for a brief, introductory video call. When matched, you can add more time or add the person on Snapchat.

Omegle
Omegle is an online chat service that allows users to communicate without needing to create a profile. The service pairs people in a one-on-one chat session, simply listing the users as "Stranger".

Skout
Skout is a location-based dating app and website. While users under age 17 are unable to share private photos, kids can easily create an account using a different age.

Snapchat
Snapchat allows users to communicate through text. It also allows users to send images and videos with a timer. Once the timer expires, the content is not recoverable. The service also alerts the sender if the recipient attempts to screen-shot the image.

Tellonym
Tellonym is an app that lets you ask and answer questions about each other anonymously. It's easy to come across adult themes including sex, alcohol, drugs and abusive comments if filters are not switched on.

TikTok
Tik Tok is a social media video app for creating and sharing short videos. The application allows users to create short music and lip-sync videos of 3 to 15 seconds and short looping videos of 3 to 60 seconds.

Yubo
Yubo allows users to make new friends using their snapchat and instagram accounts. Like Tinder, users can swipe right if they see someone they want to connect with, or left if they're not interested.

WhatsApp
WhatsApp is an app that allows users to send text messages, documents, images, videos, user locations, and audio messages to others using the service.

Whisper
Whisper is an app through which users send messages anonymously by overlaying an image with text. Other users can reply to the image publicly or privately. Users do not have a public identity so other users cannot search specific users.
