

Dear 5th grade parents,

We are in the process of creating the 2017-2018 5th grade memory book. This year we would like to provide families the opportunity to create a "Dedication Page" for your student. It is a great opportunity to personalize the memory book for your graduate. The proceeds allow us to produce our full-color memory book for every 5th grade student. We ask that you please consider placing a dedication page for your 5th grader. You are welcome to include photographs and your own personal message.
