A Message from Mr. Durst

Where did the month of March go? It's hard to believe we have less than eight weeks of school left this year and still have much to accomplish. The month of April will be busy with our 3rd- 5th graders taking Florida Standards Assessment (FSA). Letters to parents announcing the testing windows have already been sent home. For specific testing days, please contact your child's teacher. It is important your child is rested, has a healthy breakfast, and arrives on time for testing days. This will help our scholars perform at their best! Our STEM Academy will be showcasing their learning on April 28th from 9:00-1:00 at the USF St. Pete campus and several classes will be taking exciting field trips.

We are also planning and preparing for our annual **Spring Fling** coming up on April 6th. This is a fun, family event that will also be held in conjunction with our spring book fair. This is a huge fundraiser for Davis Elementary and we need everyone's help! Please ask your child's teacher how you can help or email Dominica Reed, reeddom@pcsb.org, for more information! Presale tickets will be on sale before school the week we return from Spring Break (4/2-6). We hope you make plans to join us for an evening of games, food, fun, and fellowship.

Message from Mr. Durst Continued

As the school year winds down, we are beginning preparation for next school year. Soon teachers will begin forming recommended classes for the 2018 - 2019 school year. Our teachers spend hours in an effort to make the best possible matches to ensure success for every child. They use multiple criteria to help them with the process of balancing classrooms. I encourage you to have open dialogue with our staff about specific concerns you may have. It is our goal work together with you to meet the learning needs of your students and to promote high levels of achievement. Please understand that Mrs. Gualtieri and I work collaboratively with teachers to form class lists. For this reason, we do not honor personal requests or accept parent letters for teachers. Davis has the best teachers in Pinellas County. All of our staff members are highly qualified and dedicated to the continued success of our scholars.

Summer Bridge Registration

Summer will soon be here and I am excited to share information about our **Summer Bridge** program and that this year we will host this summer program here at Davis! Summer Bridge is an extended learning opportunity designed for all students. The purpose of this exciting program is to provide students with continuous learning through the summer to ensure they will be ready to begin the next school year with confidence and success.

Summer Bridge will provide learning opportunities during the summer so students will be more prepared for success when the 2018-2019 school year begins. The program will include acceleration and enhancement of skills in reading, mathematics and science and individualized instruction in the three core subjects using a blended model of the arts, technology, small group instruction, hands-on labs and project-based learning.

Parents may choose to register their student(s) to any one of the elementary sites, however please be advised that parents will be responsible for providing transportation for their child to and from the Summer Bridge Elementary School program. **The program will run from 8:30 a.m. to 12:30 p.m. Mondays-Thursdays from June 5 to July 19, 2018**, with the week 4th of July off.

Parents are responsible for daily transportation. Please visit the Student Reservation System at <https://reservation.pcsb.org/> and register your child. Log on with your Parent ID and Password. If you have forgotten your ID or password, or experience other problems, contact the front office to have your password reset. If you do not have access to internet service, you may register at Davis.

For more information about Summer Bridge, please click on the Elementary School link on the Summer Bridge website at www.pcsb.org/summerbridge or contact your child's teacher. You may also contact Elementary Education at (727) 588-6443.

Congratulations Davis PRIDE Winners

Fifth graders with outstanding achievement, an excellent attitude, and good work habits were eligible for a PRIDE (Program to Recognize Initiative and Distinction) Award. Winners in Math and Science were determined on outstanding achievement on district assessments in respective subject areas. A subject area test was given to students with an “A” average in Social Studies to determine our winner. In Writing, students submitted a portfolio of various writing samples. Kudos to our students and all also to our teachers who prepared them so well! Congratulations to the following scholars:

Math – *Zoriana N.*

Science – *Brooke E.*

Social Studies – *Danielle P.*

Writing – *Gabriella A.*

Dr. Grego and School Board members will recognize these students on April 3rd at Ruth Eckerd Hall. The Davis community applauds their hard work and success.

Joseph L. Carwise Achievement Award

Each year schools are asked to nominate two of the highest achieving minority students in grades three, four or five for the Joseph L. Carwise Minority Achievement Award. The students selected by each school are honored at a banquet that is sponsored by the Superintendent’s Minority Advisory Committee and underwritten by businesses, social, civic, and fraternal organizations, churches and individual

professionals to promote community cohesiveness and academic excellence.

Leila G. Davis Elementary is proud to recognize *Isiah Smith and Ian Wilson* as our students earning this award. Ian and Isiah will be honored at a banquet held on Saturday, April 28th. We are very proud of you, Isiah and Ian!

Mrs. Baldauf's Paint Palette

Hello Bear Cub Families!

Your child has probably mentioned the ever growing belly on their art teacher this year and the fact that I am having a baby boy very soon! The kids are super excited and let me know each and every week how much bigger my tummy has grown ... My last day is April 13, and I will be returning in September after my maternity leave. Your students will be left in good hands with Mrs. Garabeli, who will carry on instruction throughout the end of this year and the beginning of next.

If you haven't noticed the car circle and our amazing painted trees with mosaic mandala accents, please be sure to take a look! This was done with the help of our artist in residence, Heather Richardson, from the Safety Harbor Art and Music Center. I am pretty sure we have the most fabulous school entrance in the county, right?!

Until next year Davis families...!

Creatively yours,

Mrs. Baldauf

Café News

Greetings from the Café!

It is hard to believe that we are coming to the end of the school year. My how time flies...

It has been a true honor working with all of you and feeding your children!

If you wish to see what your student is spending money on, you can view it on www.myschoolbucks.com. This site can be used to add

reminders when funds reach a certain amount, to view daily purchases of lunch, snacks, extra meals, water bottles, and extra line items, like extra fruit, juice, vegetable, milk, etc. The site is free to view. You can also add funds via credit on this site, but there is a fee. We do not take credit cards here at the school, but you can send in a check or cash with your child.

A monthly menu is available on Peachjar, in the main office, on the serving line, and on the district website. If you have nutritional value concerns, these can be researched on our Nutrislice App, and website.

Lastly, lunch accounts are guarded, as it is your money that funds this program. I mention this because we do not allow students to purchase anything for a friend, unless we have permission from you. We also will honor any requests you have regarding spending. For example, no extra, or snacks, no Pork, etc. – you just have to email me or call...

Have a great week off!

If you have any questions, please call me.

Sincerely,

Susanne Borsari

ALL PRO DAD'S DAY
4/20/18 at 7:35am within the school's Media Center

By: John Varlese Jr- Team Captain and proud father of a First Grader.

All Pro Dad's Day is an exceptional and fulfilling monthly event held at Leila Davis for dads to spend quality time bonding with their children, strengthening their family relationships, along with building up an involved and dedicated grouping of dads within the Davis Community. Dads will enjoy a welcoming breakfast together, discuss openly how proud they are of their kids, partake in character building exercises, explore some key fatherly topics, and at the end of the meeting kids will have an opportunity to win our monthly raffles. Throughout the rest of the school year we will continue to meet every third Friday of the month for one hour, with a primary focus on influencing our children in truly significant ways, encouraging them to be well-rounded, respected individuals, all while believing in themselves through the power of love and support of family. Your encouragement enriches their life, improves their grades, and fills their life with pride.

We encourage all dads (or other strong role models) and their kids to join us at to our next All Pro Dad's Day Friday, April 20th at 7:35am in the school's media center, this month's topic will focus on what it means to strive for “Excellence”. For those Dads that have joined us for our previous gatherings, I thank you for your continued support, and encourage you to help grow our chapter by bringing a friend to our next Dad's Day. I understand for many that it may be difficult to partake in our monthly meetings due to conflicts in your work schedule, for that I completely understand and would like to personally invite you to the following upcoming evening and weekend activities.
