### A Message from Mr. Durst

Welcome back everyone to what will be an amazing school year for our Davis community. By now all students have settled into their new classrooms and we are off to a great start to the school year. I appreciate the continued support as we strive to help each student reach their highest potential and return our school to an "A". Our work together is very important. Research confirms that parental interest and involvement in a child's education is the most significant reason children succeed in school.

While we work together to develop students who will be good citizens of the future, our goal at Davis is to provide a nurturing and challenging education for all students. To reach these goals it is essential to establish and maintain an orderly environment. Listed below are a few ways that you can help us maximize student achievement at Davis:

- **Respect Our School Hours**  
Office Hours: 7:45 am - 3:45 pm  
Student Drop-off: 8:15-8:40  
Class begins: 8:45 am (considered tardy if not in classroom)  
School Hours: 8:45 am – 2:45 pm
- **Student Arrival-Drop-Off** - Adult supervision on campus begins at 8:15 AM, so please do not drop off your children before this time. We continue to have students dropped off before 8:15. We will be formally notifying parents who are continually dropping their children off before the designated time.
- **Make sure your child is here daily AND on time.** Children should always be on time for school. Students who arrive late to school (after 8:45 am) are expected to sign in at the front office and obtain a pink tardy slip. Tardiness on a regular basis is disrupting and detrimental to your child's success.

## Message from Mr. Durst Continued:

- **Please respect dismissal time:** Students must be picked up between 2:45-3:15 each day. We have many children who are picked up well after the dismissal bell. Please make sure other arrangements have been made if you will be running late and call our main office line at 727-725-7972.
- **Check your child's planner/agenda nightly.** The planner is an important communication tool from the teacher and includes homework assignments and important dates.
- **Participate in school activities.** At Davis we welcome all registered volunteers, tutors, and mentors. We also have a very active PTA that provides tremendous support to our school community. Please check the Davis website or contact our Family Community Liaison, Dominica Reed, for volunteer opportunities.
- **Expect your child to demonstrate respectful, responsible and safe behavior.** Davis is committed to providing a safe and positive learning culture. We have a school-wide Positive Behavior Plan where we teach children behaviors that will ensure success in school and throughout life. Our school's guidelines for success are Responsibility, On Task, Aim High, and Respect (ROAR).

Each day presents wonderful opportunities to make a difference in the lives of children as we prepare them for success in school and in life. It is with pride that I look forward to a productive and enriching school year! Please let us know if we can be of assistance to your family. Thank you for your continued support!

## Arrival and Dismissal Safety Reminders

- If your child is a car rider, please display a hang tag in your car window with last name in **bold letters** at pick-up time. Car riders should have received a plastic hang tag during the first week of school to use during pick up. Due to the cost of the plastic hang tags, parents will need to make a name sign for all cars that will be picking up your child...Mom, Dad, and Grandma too!
- Please refrain from talking or texting on your cell phone while moving in the car line. We have had some close calls with those who have their attention elsewhere!

- If possible, please refrain from picking your child up before dismissal time. This is disruptive to the learning of everyone in the class when instruction is interrupted.
- Please do not drop off or pick up your children in undesignated areas. The only drop off and pick up area with supervision is in the car circle. Parents choosing to use the parking lot at Heritage United Methodist Church for drop off or pick up need to walk to and from the campus for drop off and/or pick up. We do not have Davis staff supervising the church parking lot. If parking in our car circle parking lot we ask that you accompany your child to the crosswalk. For safety reasons, students should not be dropped off in parking lot and left to navigate the car traffic on their own.
- Please do not use the bus circle on the south end of the campus for drop off or pick up. This area is designated for school buses, day care vans, and staff parking.
- Please adhere to the "no left turn" signs as you are exiting the car circle. The Clearwater Police Department will begin to monitor this and will soon be issuing tickets.
- Our car circle dismissal process is running efficiently, so please make sure that you are here to pick up your child by 2:55 PM daily.

## Safety and Security Update:

- **Lunches:** We are working with our PTA Board and School Advisory Council to devise a plan for visitation to have lunch with your child. With stringent new security guidelines in place and considering the layout of our campus, it is a challenge to maintain a visitor-friendly environment.
- **Active Assailant Drill:** Our first drill of the year was very successful. Students were fully prepared to practice the "run" strategy with a sense of calm. They moved quickly, quietly, and with a sense of purpose. Officers from the Clearwater Police Department were very impressed with how fast we were able to evacuate the building. Next month we will practice the "hide" portion of our drills. Once those videos are available, you will receive notification from us.

We appreciate your attention to these important safety issues.

## VOLUNTEERS NEEDED

*One of the greatest gifts you can give is  
your time!*

We are always looking for volunteers to help out in the following areas:

## Curriculum Corner

Welcome back to school! As a new and exciting school year has already gotten underway,

we are working to meet the academic needs of each and every child. In order to do this, assessments are beginning so that teachers can challenge all students with what they need for success.

What can you do to help? Make sleep a priority for children to be rested and ready to conquer the new day. Have conversations about the assessments with your child and encourage them to take their time and try their best. As they hear these words at home and school, they will know we are all working together to support them.

Below are the assessment windows for fall:

FLKRS (Kindergarten only)- August 26 – September 24

13. Spring Test Proctoring

Please remember, **ANY** activities at school, other than coming in to have lunch with your child, requires you to be a registered volunteer and have activated your volunteer status for this school year. This includes field trips, holiday parties, Field Day, Spring Fling, classroom parties, etc. All volunteers must stop by the front office and receive a badge or sticker to wear while on campus. If you have any questions please contact Dominica Reed at [ReedDom@pcsb.org](mailto:ReedDom@pcsb.org)

## Media Matters

Woohoo! The media center shelving is complete! In the fall of 2012 we started the process of slowly updating the library shelving and replacing the original bookcases. This has been a long makeover project, but the outcome is amazing! Thank you to all the families and business partners that supported our fundraising efforts the past few years. We even had enough in the budget to purchase new tables and chairs for media center as well. The tables and chairs will be arriving in September and will help complete the new look!

I have had the opportunity to see all 1<sup>st</sup>-5<sup>th</sup> grade classes in the library the past few weeks. Students have started checking out books and we are open for business. I have worked with our Kindergarten students in the computer lab the last 2 weeks helping them learn the computer basics and even start on ST Math. Kindergarteners will have the chance to check out books after our Scholastic Books Fair.

The Book Fair is here early this year. We are in need of volunteers to help with the Book Fair. If you are available, please click the sign-up genius link to volunteer.

[www.SignUpGenius.com/go/4090548AAA623A64-20181](http://www.SignUpGenius.com/go/4090548AAA623A64-20181)

You must be a registered volunteer in order to help. (You do not have to be Level II) If you are unsure of your volunteer status, please email Dominica Reed [reeddom@pcsb.org](mailto:reeddom@pcsb.org) to check on your eligibility.

### Book Fair Hours

#### During School Shopping Hours

Tuesday 9/4 – Monday 9/10

**9:00am-2:30pm**

Teachers will send students that have money to shop at the book fair during school shopping hours. Parents may shop the book fair during school hours by signing in as a visitor in the front office.

#### After School Shopping Hours:

Parents may shop the book fair after school by signing in as a visitor in the front office.

Tuesday 9/4 3:00pm-4:00pm

Wednesday 9/5 3:00pm-4:00pm

Thursday 9/6 5:30pm-8:00pm

Friday 9/7 3:00pm-4:00pm

Monday 9/10 3:00pm-4:00pm

The library is always in need of volunteers. We have over 750 students enrolled at Davis and our school library consistently has one of the highest circulation numbers of all elementary schools throughout the county. That means we ALWAYS have books to shelve and put back where they belong. Even if you only have 30 minutes to spare we could use your help. Not sure what to do? We will train you! Email Mrs. Scott [scottsha@pcsb.org](mailto:scottsha@pcsb.org) if you are interested in helping. You will need to be a registered volunteer in order to help (Level II is not required).

If you are interested in sponsoring a class or helping the library finish our library makeover, please see the front office or contact Dominica Reed at [reeddom@pcsb.org](mailto:reeddom@pcsb.org) for more information or sponsorship opportunities.

## Student Headphones

We kindly ask that all Davis Scholars have a pair of headphones for use at school. All grade levels, Pre-K through 5<sup>th</sup> grade, utilize computers and iPads throughout the week. Some of the

programs or applications have sound and students need headphones in order to focus on the instructions from their device. For health and safety reasons we require each student to have their own pair of headphones. Earbuds are sometimes too big and difficult for our younger students to use.

## Save the Date

**Great American Teach In** is on Wednesday, November 14<sup>th</sup> from 9AM-2PM. If you have a career or fun hobby or know someone who does and you would like to share, please contact Dominica Reed, ReedDom@pcsb.org with your availability. We would LOVE to have you come out and share your expertise with our students.

## Music Notes

### CHORUS

Fourth and Fifth grade students are invited to participate in the Leila Davis Chorus. We meet once a week for 45 minutes during the school day to prepare for two concerts, tentatively set for Tuesday, December 4<sup>th</sup> and Tuesday, May 21<sup>st</sup>, both starting at 7pm at Heritage United Methodist Church. Students will receive information sheets and contracts this week. Students should return signed contracts by Friday, September 7<sup>th</sup>.

### ALL-STATE CHORUS

Select chorus students are preparing to audition for the FMEA All-State Elementary Chorus. Leila Davis submits five student recordings in mid-September, and

if selected, students rehearse and perform in January at the FMEA state conference in Tampa. Students must prepare outside of chorus class and can get assistance from Mr. Martinez before and after school. Contact Mr. M. for further details – [martinezd@pcsb.org](mailto:martinezd@pcsb.org).

### BAND

Our after-school band program will be up and running soon! Mr. Martinez will hold an informational meeting for students after school, Monday, September 10 from 3-4pm. Students will have the opportunity to play clarinet, flute, saxophone, trumpet, or percussion, based on availability. Families can also choose to rent instruments from a local music store or bring one of their own. Look for a band flyer to come home soon!

### BAND INSTRUMENTS NEEDED

Do you have an extra band instrument that is not being used? We'll take it! We're in need of more instruments for our beginning band students. If you would like to donate a used instrument, contact Mr. M. at [martinezd@pcsb.org](mailto:martinezd@pcsb.org).

### GRADE LEVEL CONCERTS

Our calendar is almost set, so be looking for announcements about your grade level's musical performance:

Third Grade – November, Veteran's Day

First Grade – February, Winter Celebration

Second Grade – March, Spring Musical

Kindergarten – May, End of Year Celebration

Thank you! We're looking forward to making music with your students!

Mr. Martinez-Cooley and Ms. Hilliard

## Mrs. Baldauf's Paint Palette

Hello bear cub families!

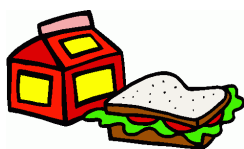

I hope everyone had a wonderful, relaxing and fun summer! I am still on maternity leave but will be coming back September 13<sup>th</sup> to finish out the school year. Mrs. Garabeli has been filling in for me and has done an amazing job! She is such an awesome artist and teacher; I will be sad to see her go.

I am not sure if artsonia will be running this year since I am getting a late start. If you are interested in photographing student artwork using an iPad about every other week in the art room, please let me know. You must be a registered volunteer to come in. If I can get a committed volunteer, then we will continue artsonia!

Can't wait to get back and start creating again! See you in September!

## Physical Education

Welcome to the 2018-2019 school year. The Physical Education Department is looking forward to an exciting and rewarding year. To ensure all students are safe and successful please review the rules and procedures listed below.

**OVERVIEW: Pre-K students will have outdoor Physical Education class daily for thirty minutes. Kindergarten through Fifth Grade students will**

**have outdoor Physical Education class three days a week for forty five minutes.** These classes are supervised and instructed by one of the four members of the P.E. staff. The curriculum is based on Pinellas County Physical Education Curriculum Guidelines and on individual assessment of your child's skills and needs.

**MISSION STATEMENT:** To educate and prepare students for physical activity now and in the future while enhancing each student's overall physical fitness level.

**ATTIRE:** For your child's safety, the P.E. Department requests rubber soled shoes that stay on your child's feet. We request no boots, high-heeled shoes, spikes or sandals be worn. If your child wants to wear these shoes to school, we ask that he/she change before coming out to P.E. class. We also request girls wear shorts under dresses. Hats are permitted. Please, no sunglasses or jewelry due to safety concerns. **Sunscreen is highly recommended.**

**WATER BOTTLES:** Please send a water bottle to school, labeled with your child's name. It is very hot outside and it is important your child stays hydrated.

**EXCUSES:** ALL students will be expected to participate in all P.E. activities unless they present a note from a parent/guardian or doctor. If a student misses P.E. for more than three days in a row, a doctor's note is required. In instances such as hospitalization, long-term illness, broken bones, and stitches, we will require a doctor's release note. The note must be given to the P.E. instructor before the child may resume participation.

**GRADING:** Your child receives a grade in both skill and behavior each grading period. If your child is earning an "N" (Needs Improvement) for the grading period, the P. E. instructor will notify you.

## P.E. RULES

1. Listen and follow directions

## SOLUTIONS

1<sup>st</sup> - Verbal warning

2. Respect others

2<sup>nd</sup> - Time out in class / sit out remainder of class

3. Use P.E. equipment properly

3<sup>rd</sup> - If behavior continues Conduct Report sent home

4. Demonstrate good sportsmanship and participation

We also follow the school wide ROAR Reward program in which students receive certificates for positive behavior. In addition, students are able to earn Bear Bucks to use during P.E. class.

We hope this information will help you better understand our expectations for your child. Please do not hesitate to contact us if you have any questions. We look forward to working with your child this year.

**ALL PRO DAD- DAD'S DAY**  
**9/21 at 7:45am within the school's Media Center**

By: John Varlese Jr- Team Captain and proud father of a Second Grader

Welcome Back! I hope everyone had a wonderful summer and has enjoyed the first couple weeks back at school. All Pro Dad is a non-profit organization (a division of [www.FamilyFirst.net](http://www.FamilyFirst.net)) who's passion is to inspire fathers (or other strong male role models) in guiding their families with the tenderness of the heart, promote value and encouragement within our children, strive to be a beacon of strength, and embrace boldness of character as a dad. Research has shown that a father's involvement in their child's academic success yield key benefits such as enhanced grades, increased social skills, improved behavior, and strong character development. The Leila G. Davis Elementary Chapter of All Pro Dad provides strength and guidance to our community of dads, along with practical tips in raising kids in a life-giving way.

All Pro Dad's Day is an exceptional and fulfilling monthly event held at Leila Davis for dads to spend quality time bonding with their children, strengthening their family relationships, along with building up an involved and dedicated grouping of dads within the Davis Community. Dads will enjoy a welcome breakfast together, discuss openly how proud they are of their kids, partake in character building exercises,

explore some key fatherly topics, and at the end of the meeting kids will have an opportunity to win our monthly raffles. For those dads who joined us last year, I thank you for your continued support, and encourage you to bring another dad and their child to our next Dad's Day. We encourage all dads and their kids to join us at to our next All Pro Dad's Day Friday, September 21st at 7:45am in the school's media center. This month's topic will be "Positivity".

Throughout the school year we will continue to meet every third Friday of the month for one hour, with a primary focus on influencing our children in truly significant ways, encouraging them to be well-rounded respected individuals, all while believing in themselves through the power of love and support of family. Your encouragement enriches their life, improves their grades, and fills their life with pride.

In addition to our monthly Dad's Day, we also look forward to partnering with various other events that encourage family involvement. Please also join us on October 26<sup>th</sup> for Trunk-or-Treat, and November 1st for a family friendly Kids vs Adults Kickball game, held at the school's baseball field. To become part of the Leila G. Davis Elementary All Pro Dad Chapter and get monthly meeting alerts and activity updates join our local chapter at <https://allprodadsday.com/chapters/1772>

For further information regarding All Pro Dad please visit their website at [www.allprodad.com](http://www.allprodad.com) And for Moms there is helpful and inspiring information on [www.imom.com](http://www.imom.com) as well.

## Adopt-A-Class & Program Sponsorship

Our students truly benefit from the sponsorships created for the school. With the additional funds provided through these relationships, our students are offered additional opportunities that may not have been otherwise possible without the assistance of our community members. There are continuing budget cuts which makes it imperative that we reach out to our families and community for support.

If you are interested in sponsoring a class, please see the front office or your child's teacher for more details.
