

## **Dual Enrollment Program at Pinellas Technical College**

High school students attending Pinellas Technical College (PTC) have the opportunity to be dual enrolled in post-secondary courses tuition free! These courses give students credits toward a high school diploma and a career technical certificate. Hours completed at PTC may also transfer as credit hours to local and state colleges. Courses are available on both the Clearwater and St. Petersburg PTC campuses.

### Pinellas Technical College Clearwater Campus

6100 154th Ave North
