

EARLY CHILDHOOD EDUCATION CERTIFICATION PROGRAM

The Early Childhood Education Certification Program is offered at Countryside High School for students who would like to enter the career field of Education. It provides opportunity to obtain the State of Florida Early Childhood Professional Certification which allows a graduating student job preparation to work in a licensed preschool with all the state required clock hour courses. If all criteria is met by graduation, the ECPC Staff Credential is awarded. Early Childhood Education is a 4 year program and the students work in the Little Cougar Preschool lab class with hands on opportunity for teaching experiences. St. Petersburg College offers articulation credit for those majoring in Early Childhood Education and college credit may be given for the completion of the high school program.

For more information contact the Countryside High School guidance office or Jamy Hoch at hochj@pcsb.org.
