

2019-2020 Student Enrichment Program Details

Session 1: 9/3/19 - 10/11/19	5/6 weeks of class
Session 2: 10/15/19 - 12/20/19	8/9 weeks of class
Session 3: 1/13/20 - 3/13/20	7/9 weeks of class
Session 4: 3/30/19 - 5/26/19	8/9 weeks of class

(Fewer classes on Mondays due to school calendar)

MONDAY

HIGHLAND DANCE (K-2)

Dancers will learn the foundations of Highland dance, ballet and creative movement with a qualified dance instructor. This semester Miss Elizabeth will be choreographing a fun routine to perform in a Holiday Parade in December. Miss Elizabeth is a certified instructor whom was a Disney Parade performer at their resorts in Orlando, Tokyo and Hong Kong. She's excited to share her expertise with students at Curtis Fundamental and give them a chance to perform!

Dancers are invited, but not required to perform in our Holiday Showcase at the Botanical Gardens and Holiday Parade. Dates TBC

BAGPIPING LESSONS

4th and 5th Graders have the wonderful opportunity to learn the bag pipes from Ms Kelly Kennedy. She has been playing bagpipes for over 30 years, starting in the school system at Dunedin Highland Middle School. Kelly played with the City of Dunedin Pipe Band for almost 20 years, 12 of them as Pipe Sargent. She's now retired from the band scene with a family and enjoy teaching this amazing tradition to others.

Grade Level: 4th – 5th
Time: 2:10 – 3:00 pm

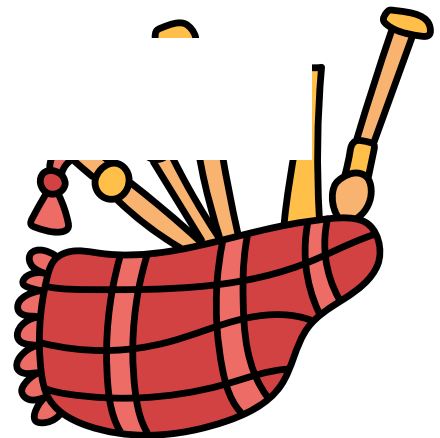

Cost/Classes: 1 time purchase of practice chanter, can be used for many years \$65
\$32.50/mth for 4 months Classes run Sept 9th – Dec 16th 2019

of Students: 10 Min / 16 max

AIR DRY CLAY

This class is offered to students of all different levels. There will be a different theme for each session. Each class, students will make a variety of crafts relating to the theme. For students who want to learn more air-dry clay modeling skills and explore different types of craft materials, this is the right class for you.

This course taught by a Curtis parent.

Grade Level: KG – 5th

Time: 2:15 – 3:15 pm

Theme: Sessions 1: 9/9 – 10/7/19 (5 classes)

"Back to School Fun". We will focus on building various clay modeling skills with students by making many fun school related projects.

Session 2: 10/21 – 12/16//19. (8 classes)

"Winter Wonderland". We will focus on strengthening students' creativity and their imaginations. Each week we will make different holiday related decorations, toys, and gifts.

Cost/Classes: Session 1: \$75 (\$25 material fee included)

Session 2: \$120 (\$40 material fee included)

If sign up both sessions together \$185 (\$10 discount)

of Students: 10 min / 20 max

Registration: <https://www.signupgenius.com/go/20F0C4FABA822A6F94-curtis>

Payment: Checks payable to **Tzutai Cheng**

Students should bring their check with them to the first day of class.

TUESDAY

TAMPA BAY HIGHLAND DANCE

Celebrate Dunedin's Scottish heritage with Highland dance class! This semester Miss Elizabeth will be choreographing a fun routine to perform in a Holiday Parade in December. Miss Elizabeth is a certified instructor whom was a Disney Parade performer at their resorts in Orlando, Tokyo and Hong Kong. She's excited to share her expertise with students at Curtis Fundamental and give them a chance to perform!

Dancers are invited, but not required to perform in our Holiday Showcase at the Botanical Gardens and Holiday Parade. Dates TBC"

This class is great for those who have never danced before and those with experience in other forms of dance!

CURTIS KIDS CAN COOK!

Join Chef Debbie McGiffin for this hands-on cooking course. We will learn the basics of cutlery, how to read and understand a recipe and the practical art of 'Mise en Place' as well as a variety of cooking techniques. Throughout the course we will create such dishes as:

Goody Granola Bars & Fruit Punch Salad

Brown Sugar Pancakes with Maple Bacon Butter

Mexican Chopped Salad with Cilantro Lime Dressing
Chipotle Chicken & Bean Taquitos with Fresh Salsa
Warm Cinnamon Apple Bites

Fettuccine with Herbed Alfredo Sauce
Tomato Basil Soup &
Double Chocolate Pudding

AND MORE!

<https://youtu.be/3gjuVoA6l3c>

Grade Level: 3rd - 5th
Time: Tuesdays 2:15 – 4pm 5 Classes Sept 10th – Oct 8th
Cost/Classes: Session 1: \$150 (all food and materials provided) Sept 10th – Oct 8th
of Students: 12 min / 16 max
Registration: <https://www.signupgenius.com/go/20F0C4FABA822A6F94-curtis1>

Payment Checks payable to: Debbie McGiffin. Students should bring their checks to school in an envelope titled "Ms. Woodka - Curtis Kids Can Cook" Please send check upon registering for class. Payments will not be reimbursed for this class unless the spot is filled. This is due to the costs of buying supplies and food for a fun and successful course.

MAD SCIENCE – Magic, Forces, & Flight!

Students will participate in 6 of the following exciting sessions!

Science of Magic - Is it magic? No...It's science! You'll discover the secrets behind famous magic tricks that you can recreate for yourself! Make things disappear, escape chains, read minds, and more! Build your own production box to take home!

Under Pressure - Join Bernoulli and Newton as we take this exciting look at the science behind aerodynamics and the properties of air... under pressure. Use a vortex generator to create air pockets with a punch, and levitate pingpong balls in defiance of gravity!

Che-mystery - Eliminate the mystery in chemistry! We will appear to change water to juice & then back to water again and grow a crystal garden in minutes. Experience amazing hydrophobic sand, watch camphor crystals dance & dart, and make milk burst in to colors. Take home your own dynamic dish for more chemical exploration.

Current Events - Take a tour on the electron freeway! Conductors, insulators, transistors, and other elements in the world of circuit science will introduce you to the wonderful world of electricity. Kids will be amazed and shocked...not literally ;)

FUNdamental Forces - Gravity... Inertia... Centripetal force... who could ever imagine that an introduction to physics could be so much fun? We'll experience these awesome forces for ourselves and build some cool devices to watch them at work! The take home for this one is a balancing act...

Wacky Water - We'll have fun while we experiment with water, waves and the environment. Simulate the effects of an ocean oil spill and develop creative techniques to clean it up! Create your own multi-density wave simulating bottle which doubles as a lava lamp!

Fantastic Fliers - The Wright Brothers would be proud as we follow in their footsteps and learn the principles of flight. Build a "football" glider, experiment with control surfaces, and make your very own loop-flying stunt plane. You'll be a Top Gun after this class!

Super Structures - Discover the strengths of triangles, cylinders and arches. Learn how combinations of these shapes make for sturdy homes, bridges, and skyscrapers. Use teamwork to build your own super structures as well as an earthquake-proof building!

Grade Level: KG – 5th

Time: 2:15 – 3:20 pm

Cost/Classes: 11/5 – 12/17 \$86 for online registration 6 weeks

of Students: 13 min / 18 max per class

Registration: <https://register.madscience.org/greatertampabay/afterschool-register.aspx>

Payment: Credit card online

WEDNESDAY

LEGOS - BRICKS 4 KIDZ

Designed and created by teachers, architects and engineering professionals, our hands-on curriculum introduces children in grades K-3 to concepts of engineering, architecture and mechanics using LEGO® bricks. We provide all materials for students to work in a lab-type setting using the bricks with an integrated curriculum based on math, science, and language arts. Model building provides kids with opportunities for problem solving and helps them develop an appreciation for how things work – learning while having fun!

- Introduce engineering and architecture principles
- Explore math and science concepts
- Engage in STEM activities
- Build self-confidence and problem-solving skills
- Enhance self-esteem through solving problems and completing projects
- Activate children's lively imaginations
-

Grade Level: KG – 3rd
Time: 2:15 – 3:30 pm
Cost/Classes: \$75 / 6 classes 9/4 - 10/9/19
of Students: 20 max
Registration: www.bricks4kidz.com/367
Payment: Credit card online

SOCCER

Each session involves creative soccer activities with a ball. Players learn to perform some of soccer's most difficult moves, skills and goal scoring techniques with opposition. The players are gradually exposed to manageable pressure to enhance deceptive dribbling and ball striking skills. In this crucial stage the players develop the will to embrace intelligent risk. They also learn the self-belief to be a playmaker and a ball wizard.

Dates: 4 week sessions continuing monthly through May
Grade Level: KG – 5th
Time: 2:15 – 3:15 pm
Cost: \$45 / 4 classes (3 week sessions are prorated)
of Students: 40 max
What to wear: Students should wear athletic shoes.

Registration: <https://shiningstarstampabay.formstack.com/forms/happyfeettampabayregistration>
Payment: Credit card online

THURSDAY

LACROSSE

The Yellow Jackets after school lacrosse program provides students with the opportunity to learn about the game of lacrosse and all the basic fundamental skills associated with it: scooping, cradling, catching, throwing, shooting, game strategies, offense and defense skill sets. This is all achieved in a safe and enjoyable environment, utilizing soft - stick lacrosse principles (no contact lacrosse) that do not require the use of protective equipment. Sticks and balls are provided. A willingness to learn and have fun are all that is required.

Grade Level: 1st – 5th

Time: 2:15 – 3:30 pm

Cost: Session 1: \$75/ 7 classes
Session 2: \$95 / 9 classes
Session 3: \$95 / 9 classes
Session 4: \$95 / 9 classes

of Students: 30

What to wear: Students should wear athletic shoes.

Registration: <http://www.yellowjacketlacrosse.com/index.php/curtis-fundamental>

Payment: Print out registration online and mail in.
