- 2) Visit the College Websites and see how they want you to apply most colleges will use Common App and that is the easiest way to apply
- 3) Naviance once you have decided where you want to apply, you will visit Naviance (located in Clever) and add the Colleges You are Applying To in your list.
  - a. If they are a Common App school, you must match your Common App account to Naviance so that East Lake will know where you are applying and how to send your official school records (see attached instructions)
- 4) Complete your applications BEFORE their deadlines
- 5) Pay attention to documents that you need to submit with your applications – EVERY COLLEGE IS DIFFERENT SO DON'T ASSUME ALL COLLEGES WANT THE SAME DOCUMENTS

  - d. Letters of Recommendation if a school requires a letter of recommendation, they will let you know. You can request this through Naviance

- 6) Application Fees if you qualify for free/reduced lunch, you qualify for free application waivers through Common App. Your counselor will log in and verify your status if you indicate that you qualify.
  - a. To apply for free/reduced lunch status, use myschoolapps.com

#### Students With Accommodations

Colleges do not have to provide services and accommodations for students. After you have been accepted to a college, you will need to apply through your college's disability services office, not the admissions office, to see if you are able to receive accommodations in college. You are responsible for providing your own documentation to the college to request this.

#### **NCAA Information**

College-bound student-athletes preparing to enroll in a Division I or Division II school need to register with the NCAA Eligibility Center to ensure they have met amateurism standards and are academically prepared for college coursework. (<u>https://web3.ncaa.org/ecwr3/</u>)
