

How do I obtain an SPC ID number?

- Submit an SPC Undergraduate* Application
 - Go to www.spcollege.edu and click on Apply to SPC.
 - Select “**High School Programs Student,**” and follow the step-by-step procedures. (The \$40 application fee will be waived for dual enrollment students once they are enrolled by the DE office.)
 - You **must** know your Social Security number (SSN) in order to complete the online application. (If you do not have a SSN, you must complete a **hardcopy** undergraduate application by visiting an SPC Business Office on campus with photo ID, and identifying as a prospective dual enrollment student.)
 - Apply using your full name (no nicknames), and check for misspellings. **Also ensure the accuracy of your SSN and date of birth,** as these are used for verification in the login process.
 - Under High School Information, be sure to select your correct high school from the drop-down list, including city and state.

*Please do not **reapply** if you’ve already received an SPC ID number. SPC ID numbers are good for life. Students who previously applied as noncredit only (College for Kids, driver improvement, SPC camps, etc.) prior to 2010 already have an SPC ID number. They must complete a **hardcopy** undergraduate application using their existing SPC ID number by going to an SPC Business Office **with photo ID** and identifying as a prospective dual enrollment student. If you are unsure if you already have an SPC ID number, please contact an SPC dual enrollment office.
