Welcome Back SHES Families!

It is the beginning of an exciting new school year. We are so proud to be returning to school once again rated an “A” school by the Florida Department of Education! Congratulations to our students, families and staff for earning this recognition! Truly an exciting accomplishment for all.

I would like to welcome back our returning students and welcome our new students to SHES! We also have some new staff members to announce. First, congratulations to Mrs. Wendy Stryker, our new Assistant Principal. Welcome also to Mrs. Tonia Hill – 3rd grade teacher, Mr. Nick Lykon – PE Teacher, Ms. Krista Schilling – Art Itinerant Teacher, Ms. Bryana Wescott – Music Itinerant teacher, Ms. Heather Parisse – VPK Teacher and Ms. Shana Goss – CDA in Pre-K.

In an effort to continue the momentum of success, I would encourage you to start the year off right by establishing supportive processes at home such as setting aside an area to complete homework, organize backpacks daily, review and sign agenda books daily. Regular communication with your child’s teacher is extremely essential. Agenda books, e-mail, phone calls and parent conferences are all great ways to reach out for clarification or to gain strategies to support your student.

Our continued focus is on our goal of increasing literacy performance at SHES, daily reading at home is an integral part of increased reading levels. Reading takes place in all curriculum areas and student success depends on the ability to decode, comprehend and interpret what is read. Planning a time to read to or with your child nightly, for at least 20 minutes for primary and 30 minutes for intermediate, can make all the difference in your child’s ability to tackle rigorous curriculum they will be encountering this school year.

Finally, families, please be on the look-out for safety and arrival/dismissal information which was sent home during open house or the first day of school and posted on Peach Jar as well. The processes that we implement for arrival and dismissal are established to ensure student safety. We greatly appreciate your support by demonstrating to your child appropriate pedestrian and vehicle safety and your patience as everyone learns the routines the first week of school.

As always parents, if you have any questions or concerns, please feel free to contact the front office. I am looking forward to another great year!

Ms. Palmer
Principal

Did you know?
Your child can suffer academically if they miss 10% of the school year - about 18 days. That can be just 1 day every 2 weeks, and that can happen before you know it. Everyday counts!
Attend Today; Achieve Tomorrow!
