

## Welcome to the iReady Dashboard!

Your iReady dashboard is a great place to find tools to support your *Ready Classroom Mathematics* learning at home.

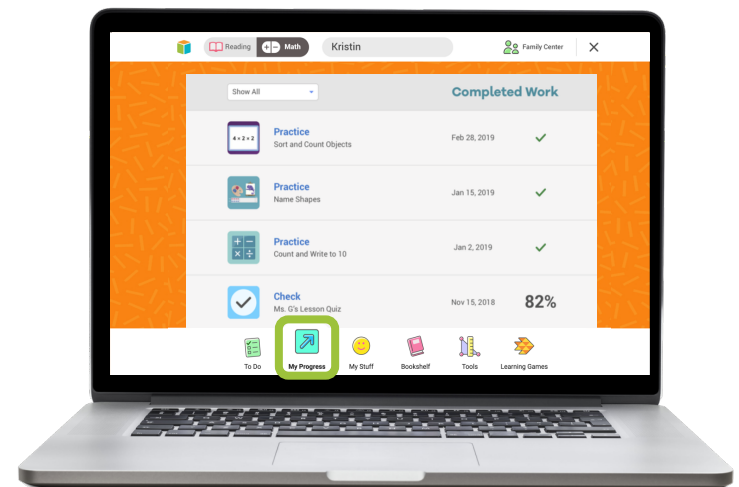

## Logging in:

Students may access their dashboard from home by logging onto **Clever** and clicking on the **iReady** icon.

## To Do

Click here to see assignments from your teacher.

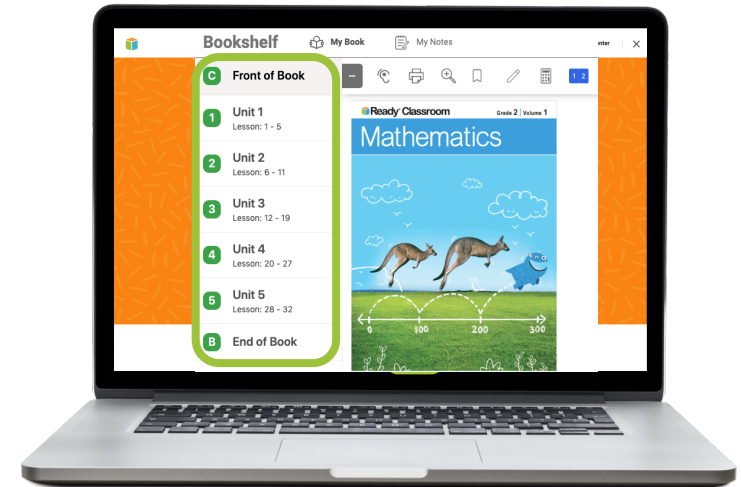

## My Progress

Click here to see your work from the past (including date of completion and scores.)

### My Stuff:

Click here pick your study buddy and background theme.

### Bookshelf:

You can access your *Ready Classroom Mathematics* book here. Use the menu to select a specific lesson.

### Tools:

Click here to access digital math tools to solve and support your mathematical thinking.

### Learning Games:

Learning games increase your math fluency. Games are available based on your grade level. You can unlock more games by playing more!
