

Pinellas County Schools STEM Summer Camp Application

STEM Summer Camp With a Robotic Focus

The Pinellas County Schools STEM Academies are growing and would like to begin to offer STEM Summer Camps this year for elementary and middle school students. Elementary camps will utilize Lego WeDo robotics and middle school camps will utilize EV3 robotics.

This camp is open to any student who will be entering 4th through 8th grade during the upcoming 15/16 school year.

Laura Spence, Pinellas County Schools STEM Coordinator

How to enroll: There are only 20 seats at each site. Fill out the attached application. Send it to the address below with your check for \$120 made out to **Pinellas County Schools:**

Office of Career and Technical Education
Attn: Deborah Gerhardt
Pinellas County Schools
301 4th Street SW, Largo FL 33779

Submit your application to the address listed above **no later than 4:00pm Monday May 1, 2015**

Once your application is received you will be notified through email if your application was accepted or placed on a wait list. If a wait list develops, more classrooms at the identified school sites may open to accommodate need. If additional classrooms do not open, your application and check will be mailed back to you.

Application

**Please print and submit to the Office of Career and Technical Education by:
4:00pm Monday May 1, 2015.**

1. Student Name: _____
2. Parent Name: _____
3. Home Address: _____
