

# Join us in August to Kick off the School Year!

- ◆ Attend a mentor workshop and become a registered volunteer.
- ◆ Be matched with a student at a school closest to where you live or work.
- ◆ Enjoy time with a student for 30 minutes a week during the school day.
- ◆ Listen, encourage and be a friend, it's that easy!

---

We have too many children who come from challenging backgrounds that can make it hard to focus on learning. The schools cannot do it alone – **but together we can make a difference.**
