**School Vision:** 100% student success

To accomplish this mission, Madeira Beach Fundamental has 7 Goals:

3. 86% of our students scored at the proficient level or above as evidenced in SSA proficiency (level 3 and above). We expect our performance level to be 90% by May 2019.
4. 90% of our students achieved at the proficient (Level 3 and above) as measured by the 2019 Spring EOC Civics Assessment. We expect our performance to increase from 90% to 93%, as measured by the 2019 Spring EOC Civics Assessment.
5. 100% of students will be provided with opportunities for physical movement on a daily basis to maintain student engagement in content.
6. The percent of all students earning credit for acceleration coursework will increase from 81% to 85%, as measured by qualifying course credit scores and/or industry certifications earned as measured by the \*Acceleration Rate.

## **Welcome Back Students and Parents**

As we start this new school year at Madeira Beach Fundamental, let us strive to improve our schoolwide attendance. We need for each parent to remember to send written documentation for any absence their child may incur for students K-8. There are 3 ways you may do this: 1) use the attendance icon, "Report of Absence" on the school website to write your note, 2) Provide a Doctor's note for any appointment /illness your child may have, or 3) write a parent note giving the reason your child was absent.(Note: Parents are allowed to write up to 5 notes.)

All absences are coded "PENDING" until documentation is received. Pending is like an unexcused absence and needs to be cleared up within 48 hours of the absence.

Once a child misses enough days to equal 10%, parent will receive written notification from the school encouraging them to have their child in school as much as possible to enhance their academic achievement.

Thank you and let's have a Good Year,

Ann Beck, LCSW

Chris Ateek, School Principal

## **Car line FAQ's**

Daily, please remember to close all gaps, use a dashboard name sign, a left turn signal to pass out of the line, and have your students drop off/ pick up ready with backpacks, folders, and music instruments in hand, and ready to exit or enter their vehicle. At no time should students enter vehicles from the driver's side, nor should you get out of your vehicles when using the car line. At no time should students walk across parking lots without an adult to chaperone them. We are looking forward to your smile, energy, patience, and humor as the car line will be long as always.

## **STEM Academy**

STEM Academy is going to start on October 2nd. and will run until the end of April 2019.

STEM Academy will be held on Tuesdays each week from 2:15pm-3:15pm.

## **Neptune Series Writing Contest Award**

In July, Alexis B. (grade 7) entered a writing contest on the website of Polly Holyoke, author of The Neptune series. The Neptune Project was one of our Sunshine State readers for the 2016-2017 school year. Alexis had to submit a short story about one of the Neptune characters who had trouble keeping a promise. She wrote about Cam's promise to always be there for Nere. Her submission tied for second place! Alexis won a dolphin necklace and Polly Holyoke bookmark. The author's website is <http://pollyhollyoke.com/>

## **Calling all Volunteers**

Thank you to all who have returned the School Volunteer Option form. We have many events and opportunities for all to help. This year Pinellas County School did not deactivate volunteers so if you were active last school year, your volunteer profile is still active this school year. MBFS appreciates you logging your volunteer hours. We submit that information to the district to show what a positive impact our families have on our School.

### **We could not do this without your help!**

If you have any questions about volunteering, please contact the Family and Community Liaison, Stacie Allen at [allensta@pcsb.org](mailto:allensta@pcsb.org) or 727-547-7838.

## **Manta Store**

The Manta Store is a program that celebrates the wonderful character traits of the students at MBFS. The students earn Manta Bucks when they show good character at school. The Manta store is scheduled throughout the school year and the students are able to visit the Manta Store and purchase items with their earned Manta Bucks.

The store is stocked by our generous families and Business Partners, such as Walmart and Curt Whiting, Realtor. In order to keep this well-deserved store going we need to keep replenishing the items. If you are able to help by donating items or possibly a monetary donation to shop for items, I would appreciate it.

A few of the items that were sold last year were: hair bows, headbands, candles, crazy socks, nail polish and lotions, hand massager's, board games, card games, craft items, match box cars Nerf/sports balls, walkie talkies and decorative school supplies, just to name a few. We do not sell food/candy items at the Manta Store.

If you are able to help with any type of donation please send them to the elementary front office labeled Manta Store donation.

## **Volunteer Opportunities**

If you are interested in helping in a classroom or assisting with a fieldtrip, you will need to be a Level II volunteer. To help with this process we are having a Level II vendor come out to fingerprint screen volunteers on campus. They will be here at during our September SAC meeting 9/4 and our September PTSA Meeting 9/24. You will be able to get your fingerprint taken and sent for processing. The fee is \$40.75 by Debit/Credit, Money Order or exact cash. The Level II badge is good for five years.

If you have any question regarding this or any volunteer information, please contact Stacie Allen, Family and Community Liaison at 727-547-7838 or [allensta@pcsb.org](mailto:allensta@pcsb.org).

## **"Start With Hello" Initiative**

During the week of September 24-28 our school will be participating in the "Start With Hello" initiative. This Sandy Hook Promise program is a fun and easy method to help our students make a difference with their peers in a simple and impactful way. It encourages them to take small but powerful actions to promote connectedness and inclusion, and to identify and help others who are showing signs of social isolation.

Social isolation is the overwhelming feeling of being left out, lonely or treated like you are invisible. Young people who feel this way may pull away from society, struggle with learning and social development, or chose to hurt themselves or others.

Our goal is to create a culture of inclusion and connectedness; plus, encourage students to reach out to include those who may be feeling isolated. We feel this is a perfect opportunity to welcome students back to school and to connect with each other.

If you have any questions or concerns, please reach out to your child's school counselor.

### **Car line reminders**

Our school times are 7:45 AM- 2:15 PM middle grades students, and 7:55 AM- 1:55 PM elementary grades, with student drop off, and pick up on site, only, and not at the businesses across from school! Please be reminded the earliest student drop off in the morning is 7:15 AM (middle grades), and 7:25 AM (K5). The latest student pick up times are 2:25 PM K5, and 2:45 PM middle grades.

Please be mindful that our school hosts an onsite before and after school program provided thru the YMCA. This program is especially helpful for our families who are in need of finding child care in the windows of time when the school is not in session. As a reminder, fundamental guidelines require parents to pick their child up no more than 30 minutes from the end of the student day. Not doing so can lead to the school intervention and appeals committee and potential dismissal from our school. We request (and our business community across from school request) you use car line for drop off and pick up purposes.

Now six friendly reminders for car line:

- At no time should students ever walk across parking lots without an adult to chaperone them.
- Please remember to close all gaps and always pull forward when directed.
- Use a dashboard name sign at student pick up. This is especially helpful so those calling names can just walk by your car and say your last name without stopping to ask you to roll down a window.
- Use a left turn signal to pass out of the line, and have your students drop off/ pick up ready with backpacks, folders, and music instruments in hand, and ready to exit or enter their vehicle.
- At no time should students enter vehicles from the driver's side, nor should you get out of your vehicles when using car line.
- Please refrain from cell phone use when the car is in motion.

## Dear MBFS community,

As a result of the Marjory Stoneman Douglas High School Public Safety Act a number of safety measures have been put into place in Pinellas County Schools which will result in changes at schools. One of these ways at Madeira Beach Fundamental is I am incredibly pleased to announce that we have a new school resource officer. Join me in welcoming Schools Police Officer Barry Colbath. Officer Colbath has an extensive 37 year resume in local law enforcement.

At school we are all vigilant about students and staff. Our teachers, and student services staff are trained to handle crisis responses. This preschool all staff participated in safety trainings to learn how to take care of each other, and our students. Our school community holds monthly safety drills to prepare for emergencies all types. When any student or staff member needs additional support we provide community referrals. On our physical site, all exterior school doors remain locked at all times. Our school offices are equipped with secure storefront glass, and all visitors must be cleared to enter secure areas of the school through Badge Pass to receive a visitor's pass.

I am asking for your continued help too. Let's wrap your arms around our school. If we surround our school with people like you, you can help our children build a school community where acts of violence become nothing more than a dim and distant memory.

How can you help? If your child uses social media, please use this as an opportunity to remind your child of appropriate social media use. Please monitor the information they are sharing with their peers. Social media tends to feed rumors. Please remember to "Say something, if you see something." Mentor a student, or work in a classroom. Volunteer here at school. If you need help with this please contact our Family & Community Liaison, Stacie Allen. Additionally, we could use your help in the mornings and afternoon with covering some of the gates on campus and help with the parking lot. If you are willing to help out for two mornings or afternoons a month, or longer if you can, you will receive membership credit for the month of September. Use the sign up link [www.SignUpGenius.com/go/60B0449A8AA28A64-september1](http://www.SignUpGenius.com/go/60B0449A8AA28A64-september1) You would need to be at school for about a half an hour each shift. You do not need to be a Level II volunteer but you must be a registered volunteer that has reactivated their focus account for this school year.

We are extremely proud of our safety efforts, but always hopeful for your thoughts, ideas, and concerns. I am available my email at [ateekc@pcsb.org](mailto:ateekc@pcsb.org), and school telephone at 727.547.7697.

Thank you for your proactivity and your continued involvement and support.

Sincerely,

Mr. Ateek,

Principal

KUDOS**Summer Reading**

We celebrated all of the elementary students who did their summer reading!! We had over 86 students turn in a reading log! Most students read over thirty days this summer, wow!! At lunch they received a prize of a homework pass, lunch outside, or a trip to the sundae bar based on how much they read. Some students even got all three! Our top readers were entered into a drawing to win a Kindle. I know summers are busy but I am grateful for those families who took the time read!

**KULA** has partnered with Red Robin to create the "Burgers For Better Schools" program that is an extension of their loyalty, or "Royalty" program. Royalty members can login using their existing royalty account, or create a new one. From there they can select any school of their choice as their designated school to automatically receive 1% of the total bill from their meal each time they dine at any Red Robin locations. The donation is automatic and the customer only needs to notify the Red Robin employee of their royalty account number at the time of payment. Because we do not track individual patrons donations to separate clubs or organizations, the donation is to be used at the school's discretion. Please visit [www.redrobin.com/betterschools](http://www.redrobin.com/betterschools) for information and FAQ's.
