Hello Again MBFS Families,

The first grading period has raced by, and we now find ourselves midway through the second grading period. It has been an exciting time for us. As we celebrate our 10th anniversary as a school, I reflect on the many things for which I am thankful for this time of the year. I want to take this opportunity to share just a few of them with you.

I am thankful for our students who come to school every day ready to learn, bell to bell, 180 days per year. They give us all a daily reminder of what is important and why we are here.

I am thankful that we can hold events that bring you and your family members to our beautiful campus that I love sharing with you. When our campus bustles with energy, I am incredibly happy. Some of our recent events; like our student recognition celebrations, Fall Festival, All Pro Dad breakfasts, Daddy Daughter Dance, Mad Fun 5K, Grandparents luncheons, Rays night at the Trop, Spirit Nights, volunteering, and attending parent conferences bring you here to our campus. I am thankful for the support our parents give to us.

I am thankful for my partners too: Assistant Principals Mrs. Altenore and Mrs. Crandall, our supportive guidance counselors Mrs. Motte, Mrs. Santos, and Mrs. Vermilion, our teachers, and staff. They truly care about each student and their achievement, and have the best interests of our students at heart.

I am also so thankful for our school PTSA and SAC members, who enthusiastically contribute so much to our school.

Times can be challenging and everyone faces challenges each day. No one goes through life untested and the answer to these tests is positive energy—the kind of positive energy consisting of vision, trust, optimism, enthusiasm, purpose, and spirit that defines our school. I am thankful for the dedicated tireless individuals who go above the expectation to make sure that a great energy, and enthusiasm happens at MBFS. They do make a difference, and the children, in their own individual ways, benefit from those efforts.

And finally, I am thankful to you all for having faith in me, and in us for 10 years. You share your most valuable possession with us. You work hard and advocate to be our partner. For this, I am ever so thankful.

I would like to wish all of you and your families a happy, healthy and relaxing Thanksgiving holiday!

Sincerely,

Mr. Chris Ateek,

Principal

Calling all Volunteers

Thank you to all who have returned the School Volunteer Option form. We have many events and opportunities for all to help. This year Pinellas County School did not deactivate volunteers so if you were active last school year, your volunteer profile is still active this school year. MBFS appreciates you logging your volunteer hours. We submit that information to the district to show what a positive impact our families have on our School.

We could not do this without your help!

If you have any questions about volunteering, please contact the Family and Community Liaison, Stacie Allen at allensta@pcsb.org or 727-547-7838.

VOTE November 6! Vote November 6!

Florida is a rich state, but we rank 41st in the nation for per-student spending. Public schools got an average increase of only 47 cents per student in the 2018-2019 budget.

Educators, not politicians, should be making school and classroom decisions to ensure every student's success. Our lawmakers should believe that all kids should have an equal opportunity to a free, good education, regardless of what their zip code happens to be.

Read the 13 Amendments carefully before voting November 6. Some are intentionally deceptive and could prove financially harmful to public education in Florida if passed.

Mark your calendars and remember to vote November 6!

FROM THE SCHOOL NURSE

Vision and Hearing screening is the last 2 days before we go on Thanksgiving break and that it is opt out only. This means that the parent must have a written note stating that they are opting out of the state mandated screening.

GREAT AMERICAN TEACH-IN

Wednesday, November 14. This annual event features parents, and community members who bring their expertise back to the school to teach a class for a period, a few periods, or all day long. If you are interested in becoming involved please contact the school and ask for Ms. Allen.

STUDENT HOMEWORK

Homework may be assigned any day of the week. Students who do not have homework assignments completed and in class by the assigned date will receive two demerits. However, the student will be given credit for the portion of the homework that is completed. When parents/guardians sign a homework paper, it is an indication that the parent/guardian has looked over the assignment for accuracy, completion, neatness, name, and appropriate responses. Students whose homework does not have the required parent/guardian signature will receive one demerit. Students who do not bring the necessary materials to class will receive one demerit. Students will not be allowed to use the school phone to request forgotten materials be brought to school. Homework which is forgotten at home and brought to school by the parent/guardian will not be delivered to the classroom.

2018-2019 8th grade National Junior Honor Society Interest

NJHS is a service organization for students who exemplify and demonstrate the following traits: service, leadership, character, and citizenship. Eligible eighth grade students will be evaluated by a faculty advisory council on the basis of these traits. To be eligible for membership consideration, students must be in eighth grade and have a 3.0 grade point average on a 4.0 scale beginning with grades active in sixth grade and meet the behavioral and character requirements. If, after a student has been selected, but before the formal induction, the student is involved in an incident which places his/her qualifications in question, induction will not take place until the faculty advisory council re-evaluates his/her standing.

Students must also be able to verify at least 20 hours of community service with documentation. Acceptable forms of documentation include a letter or the form available on the website with signed documentation of the service done and number of hours. Service hours may be completed at the same place and should be signed off by a non-family member. The hours may begin at the beginning of his/her seventh grade year and need to be completed by the first day of 8th grade.

HIGH SCHOOL APPLICATION PROGRAMS INFO

Please be reminded 8th grade students/ families are required to apply for magnet and fundamental options if not planning to attend a neighborhood school. One of the greatest mistakes our families make is to assume that because they are currently in a fundamental seat, they are guaranteed a fundamental, or magnet seat for high school. You will not be invited into a magnet, or fundamental seat without applying.

The following schools have reached out to us related to 8th grade shadowing opportunities. As additional shadowing opportunities are announced I will communicate these with you.

OSCEOLA FUNDAMENTAL SHADOWING OPPORTUNITIES

Shadowing will take place at Osceola Fundamental High School on Tuesdays and Thursdays beginning October 9, 2018, through December 6, 2018 for all 8th grade students interested in attending the school next year. Parents can register via the Osceola Fundamental High School website (WWW.PCSB.ORG/OSCEOLA-HS) starting Monday, September 24, 2018. Parents please check your middle school calendar for testing dates before choosing a date to shadow. Osceola Fundamental High School's Discovery Night will be held on Monday, November 5, 2018, beginning at 6:00 pm in the Osceola Fundamental High School Auditorium."

ATTENDANCE AWARENESS

Good attendance helps children do well in school and eventually in the workplace. Good attendance matters for student success as early kindergarten and throughout elementary school. By middle school, poor attendance is a leading indicator of dropout. Developing the habit of attendance prepares students for success on the job and in life.

In the month of October MBFS will look at student attendance closely. All students with 100% attendance for the month of October will receive a Shorts Day/ Hat Day as a reward Friday, November 2. (All award recipients can select any style of shorts to wear). Students will be notified Thursday, November 2 if they are a reward recipient.

Excused and Unexcused absences quickly add up to too much time lost in the classroom, starting in kindergarten and even pre-k, especially for the most vulnerable population. Students are at risk academically if they miss 10 percent of the school year, or about 18 days. Once too many absences occur, they can affect learning, regardless of whether absences are excused or unexcused. Avoid unnecessary absences. Some absences are unavoidable. Occasionally, children get sick and need to stay home. What is important is getting children to school as often as possible. Sporadic, not just consecutive, absences matter. Before you know it – just one or two days a month can add up to nearly 10 percent of the school year. Chronic absence, missing 10 percent or more of the school year does not just affect the students who miss school. If too many students are chronically absent, it slows down instruction for other students, who must wait while the teacher repeats material for absentee students. This makes it harder for students to learn and teachers to teach.

As a reminder, parents/ guardians are required to contact the school in writing for any and all absences, otherwise the school will consider your child's absence unexcused. Did you know you can Report Student a Students Absence on our website at www.pcsb.org/mb-ms? Simply click the link (at the top of the page directly to the right), to send an email to the school to report this absence. Include the Student's Name, Date of Birth, Grade, Date Absent and Reason. If applicable, please send any documentation to support the absence. When complete, click the send button.

If you wish to have an absence excused in advance, please refer to the Pinellas County Schools Code of Student Conduct pages 33-36, and our school fundamental handbook, located in the front pages of your student agenda for a full and more detailed explanation of Pinellas County Schools attendance policies and what can and cannot be considered excused. Related to student attendance, please remember the earliest student drop off in the morning is 7:15 AM (middle grades), and 7:25 AM (K5). The latest student pick up in the afternoon in no more than 30 minutes from the end of the student day.

IAC NEEDS

Each fundamental program has a school-based Intervention and Appeal Committee. The purpose of this committee is to review and enforce cases including severe or repeated discipline infractions, continued lack of compliance with homework and /or classwork policies, failure to follow the dress code, parental absences from PTSA/SAC meetings and parental non-attendance at required conferences. The IAC may recommend alternatives and interventions for improvement, recommend probations with stipulations and removals from the program. The committee will meet on a regular, predetermined basis or when requested by the principal/designee (usually Tuesday or Thursday afternoons). Committee members who serve will receive monthly general membership meeting credit. Efforts are currently being made to create our school intervention and appeals committees this year.

If you are interested in serving on our school intervention and appeals committee we will be holding a special meeting to parents interested in serving Thursday, October 11, in B13-206 led by Principal Ateek. Since committee members serve a one year term, all parents interested (even if you had prior experience) will be required to attend this important meeting.

Please email Mrs. Debra Ivy at ivyd@pcsb.org if you plan to attend this meeting so that an appropriate number of materials can be made and available to you and so that you can sign off on a confidentiality pledge stating the following:

To maintain confidentiality for fundamental school students each Intervention and Appeals Committee parent representative must annually sign to show their compliance with the following statement:

"I understand that under the Family Educations Rights and Privacy Act and Florida Statutes, student records are confidential. As a member of this school's Intervention and Appeals Committee, I understand that I will have access to confidential information and agree to maintain the confidentiality of all student records and information, including student evaluation records and personally identifiable information contained therein."

A student's dismissal from our program is a last resort. We truly appreciate our intervention and appeals committee members, as decisions related to students are incredibly important. Thank you for your consideration in serving your school.

DID YOU KNOW THERE ARE NO NOVEMBER/ DECEMBER GENERAL MEMBERSHIP MEETINGS?

But you could attend a November event, or volunteer in November or December for January General Membership meeting credit! Here are ways to earn credit---

1. Are you interested in earning meeting credit without attending a night time meeting Our IAC needs you! Then be a part of the IAC committee that meets on Tuesday and Thursday. You don't have to be free all of the time but serve when you can. Please email Mrs. Crandall, assistant Principal (K5 interest) and Mrs. Ivy (middle grades interest) to be added to the list of volunteers. If you serve on two IAC meetings then it will equal one month's meeting credit.
2. Participate in the second Manta 5k and Mad Fun Run! This run will take place Saturday, November 10, at Walsingham Park located at 12615 102nd Avenue, Seminole. Time and pricing info TBA

KULA has partnered with Red Robin to create the "Burgers For Better Schools" program that is an extension of their loyalty, or "Royalty" program. Royalty members can login using their existing royalty account, or create a new one. From there they can select any school of their choice as their designated school to automatically receive 1% of the total bill from their meal each time they dine at any Red Robin locations. The donation is automatic and the customer only needs to notify the Red Robin employee of their royalty account number at the time of payment. Because we do not track individual patrons donations to separate clubs or organizations, the donation is to be used at the school's discretion. Please visit www.redrobin.com/betterschools for information and FAQ's.

Dinner Dilemmas

Purpose: To create family discussions that promotes Character Education in Pinellas County.

Dinner Dilemmas are designed to go home once a month with the students. Schools that send home a weekly newsletter could print one dilemma each week in its publication. During the week families are asked to discuss the dilemma. It is hoped that families will talk about the dilemma and decide how the character quality of the month relates to the situation presented. It is further hoped that families will discuss the dilemma of the week and decide how the character quality of the month applies to each family member.

Week 1

Situation: Sam's class goes to lunch. When they sit down there is a mess under the table left from the previous class. The cafeteria monitor comes by and asks Sam to clean up the mess.

Dilemma: On one hand Sam knows being a good citizen means keeping the school clean and safe. On the other hand, Sam knows his class did not make the mess.

Discussion: What advice do you have for Sam?

Week 2

Situation: Sue, wanting to be a good citizen, was moving the neighbor's trash can back to her garage. The neighbor yelled at her, "Don't step on my flowers!"

Dilemma: On one hand Sue wants to be a good citizen by helping a neighbor. On the other hand, her neighbor never says, "Thank you," and often yells at her.

Discussion: What advice do you have for Sue?

Week 3

Situation: Sam's class votes on a Service Learning project that Sam does not like, did not vote for, and does not want to do.

Dilemma: On one hand Sam knows as a good citizen the majority rules. On the other hand, Sam does not want to participate in the project he did not vote for.

Discussion: What advice do you have for Sam?

Week 4

Situation: Sue was chosen to be a safety patrol because she is a good citizen. She sees her best friend running down the hall.

Dilemma: On one hand Sue knows she should write a referral on her friend. On the other hand, Sue does not want to get her best friend in trouble.

Discussion: What advice do you have for Sue?
