SB High School Options:

<https://www.pcsb.org/summer>

ACT Reading Prep

- For rising 11th or 12th grade students to prep for success on the ACT and potentially earn a concordant and/or college-ready score for graduation.

Please email your child's school counselor for assistance to know what SB options your child may need this summer.

SB High School Options:

<https://www.pcsb.org/summer>

ACT Math Prep

- For 9-12 students who need to earn a passing score on a test approved by the state that meets the math (algebra) assessment requirement.
- Chance to earn a concordant and/or college ready score for graduation.

Please email your child's school counselor for assistance to know what SB options your child may need this summer.

SB High School Options:

<https://www.pcsb.org/summer>

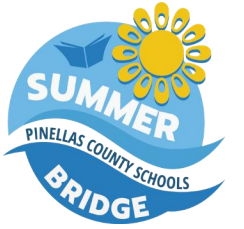

Algebra 1 Course Recovery and EOC Prep

- For all current high school students who need to earn credit for the Algebra 1 course and want to prepare for the Algebra 1 EOC.

Please email your child's school counselor for assistance to know what SB options your child may need this summer.

Transportation:

<https://www.pcsb.org/summer>

- Transportation is provided to student's zoned school.
- Students who live more than two miles from the school are eligible.
- Parents need to contact their child's high school for more information about bus stop locations.

HS Summer Bridge Program Registration:

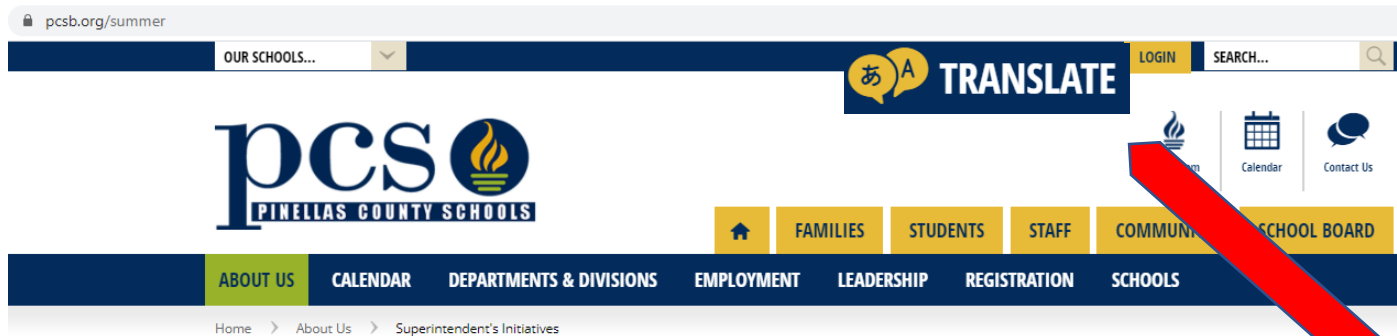

<https://www.pcsb.org/summer>

Parents need to call their child's school to sign up for Summer Bridge.

Register now for elementary and middle school programs at <https://reservation.pcsb.org>

Contact your school to register for high school programs.

Face-to-face Summer Bridge programs will be offered this summer! Summer Bridge provides engaging activities to prepare students for maximum success when the next school year begins.

You will need a parent username which can be obtained by bringing a valid photo id to any PCS school.

Most elementary, middle and high school programs will take place June 21 to July 15.

Questions? Please contact your school.
Need Help Applying? Please contact Student Assignment at 727-588-6210 or StudentAssignment@pcs.org

Summer Bridge helps students succeed:

- [Elementary school](#) students have continued to show impressive gains, with many students moving from "below proficiency" in reading, math or science to "at or near proficiency." Most students who came to Summer Bridge already scoring "at or near proficiency" still showed promising learning gains.
- [Middle school](#) students have continued to demonstrate promising growth in reading, math and science performance, with impressive gains in reading ability.
- [High school](#) students have continued to benefit from Summer Bridge. The programs help students prepare for the state's Algebra 1 EOC test, learn skills they need to succeed in high school and earn credits they need to graduate.

Could your child benefit from extra learning over the summer? Summer Bridge will prepare your child for maximum success next school year. Our Summer Bridge programs will be held on campus again this summer! Programming at all levels is being revamped, with elective options for middle school students. Childcare is available and bus transportation is available for eligible families. Free breakfast and lunch will be provided.

Attend an ESOL Summer Bridge Virtual Family Workshop:

- Get details about new Summer Bridge programs
- See step-by-step directions to register
- Learn how to access all PCS website information in Spanish
- See how your child can benefit from Summer Bridge
