### **Dress Code Reminders**

*Although New Heights is NOT a uniform school, we still follow Pinellas County School Guidelines for Dress Code. Please be mindful of the following:*

- ✓ *Clothing must cover the body from one armpit across to the other armpit and down to mid-thigh. All tops must have sleeves and cover the entire shoulder.*
- ✓ *Rips, holes, or tears in clothing must be below mid-thigh.*
- ✓ *SLIDES, FLIPS FLOPS AND SLIPPERS ARE NOT PERMITTED AT ANY TIME. Scholars must be in appropriate footwear at ALL times and will NOT be permitted to change during day.*

### **Attendance**

Scholar attendance is critical to their success and the success of OUR community. Please make every effort to ensure your scholar is in school every day. If your scholar will be absent for ANY reason, it is important that you notify their teacher ASAP.

Being on time is also part of a scholar's attendance. ALL scholars should be in their classroom and ready to learn by 8:40a DAILY.

### **School and Community Partnership**

New Heights recognizes the important role we play in our community. We will work hard each and every day in the best interest of OUR scholars. New Heights Elementary is committed to keeping parents informed of your scholars' progress every step of the way. With that, we ask that ALL of our families commit to attending our Open House (Dinner and Data Night), Parent Teacher Conferences and are actively engaged with your scholar's teacher. We cannot do this without OUR community's support, and we look forward to working TOGETHER this year in OUR "I am because WE are" approach to learning. Our Learning Community Calendar can be found on our schools website.

I am because WE A.R.E.

### **Bullying**

New Heights Elementary School works to ensure scholars are learning in a safe environment each and every day. We will be working with our community this year to clarify how to identify, report and prevent bullying from occurring so that ALL scholars can reach their potential. Pinellas County Schools has defined bullying as:

Bullying can be defined as being exposed, **repeatedly and over time**, to negative actions on the part of one or more students (Olweus, 1993). There are three key components to all bullying situations.

- ✓ There is **always a power differential** between the bully and the victim that is acquired through physical size, strength, or status.
- ✓ There is **intent to harm**; the child who is bullied is put in the position of oppression by the child who bullies.
- ✓ Finally, **bullying is a repeated rather than singular event**.

If you are concerned that your scholar is unsafe at school, please reach out to the school at ANY time. Your scholars' teachers and administration are ALWAYS available to help. In addition, if your scholar is experiencing bullying (as defined above) you can report that on the district website through our See Something, Say Something system. We ask that we are ALL careful in how we use the word Bullying and work together to ensure our scholars feel safe at school to be their best.
