SENIOR PAGE RATES

The **Senior Dedication Page** is a yearbook tradition at LHS. Senior pages consist of pictures and messages from loved ones looking to honor the hard work and dedication of their soon-to-be graduate.

The rates for purchasing a **Senior Dedication Page** are as follows:

▪ Quarter Page	\$90.00	1-2 Photos
▪ ½ Page	\$150.00	5 Photos
▪ Full Page	\$250.00	10 Photos

*Further specifics on format, submission, and availability will be coming soon, but the prices will remain the same. Space is limited, so it is a first-come, first-serve basis.

SENIOR QUOTES

- **Senior Quotes:** Information on collection of quotes will be forthcoming, BUT we will adhere to a strict “three strikes” policy, and if that is breeched, there will be NO SENIOR QUOTES in this yearbook or any yearbooks to come.
- Dedicate some time to finding one that truly represents you. (As an English teacher, yes, I am asking you to...read some quotes! Find a great one, from a great human being, and pick your favorite to appear below your photo in the yearbook.)
