Wanted Student Writers/ Designers Photographers/ Illustrators

Pinellas County Schools is looking for writers, editors, photographers, and journalists grades 4-12 for our new student-run newsletter *90° Pinellas*.

Our goal is to create an informative space that encourages students to discuss, comment, and report on the Pinellas County experience. Current events, pop culture, art, sports, or things going on in your local community are just a few topics that we encourage you to explore. Keep in mind, *90° Pinellas* is not only by the students, but for the students,

That is why in order to address the things that are most important to you, we need journalists with first-hand knowledge of what it means to be a Pinellas County student; ***we need you!***
