6th Grade Elective Request Form

IMPORTANT NOTES (read carefully): Your child will be placed in the appropriate core content area classes based on test scores, teacher input, past coursework and grades; this includes Honors/Advanced courses or a child may require intensive classes, which will limit their elective course options. If you wish your child to be considered for Honors/Advanced courses, please reach out to his/her assigned counselor: (Last Name A – K) Mr. Ramirez – ramirezan@pcsb.org
(Last Name L – Z) Ms. Ward – wardco@pcsb.org
This form is to indicate which elective classes your child is requesting for next year. **Placement into elective courses cannot always be guaranteed because space is limited.** Course selections could change. We will TRY to honor elective choices.
