

*As a 10th grader, you are able to take **2 electives**. Every effort will be made to schedule you into your elective choices. Electives are offered based on the total number of students requesting them. Sometimes, electives are not offered due to an insufficient number of student requests or an elective you want is not offered at a time that fits your schedule. Every effort will be made to schedule you into your choices so choose wisely. If you plan to take Physics, Psychology, Art, Music, or Theater your Junior & Senior year, make sure you have taken the appropriate prerequisites during your 9th or 10th grade year. Speak to the teachers of those courses for more information.
