

AP Calculus BC
Summer Assignment
Osceola Fundamental High School

There is a summer assignment for the rising AP Calculus BC students. Please log into Khan Academy under Clever and enter the class code, **25NK6P7U**.

You are only required to take quizzes and tests for the summer assignment.

I will monitor your scores and progress, but your summer assignment is the completion grade. You can start the summer assignment now, and it is due the first Friday in August (August 11) when we return to school for the new school year 2023-2024. Please email me (gipsong@pcsb.org) if you have any questions.
