

Good evening Pioneer families! Today is Sunday, February 21st. This is our weekly Parent Connect to keep our families informed.

Parents—please remember to check out our website periodically—if you go to resources you can check out our Go Math section with so many resources! Also posted is a letter to parents regarding FSA testing, information on Dr. Grego speaking on the North County Minority Report, Deadline for Florida College pre-pay program, and many more informational topics.

This message will also be posted on our Facebook Page and on our Garrison-Jones web page. Thank you and have a great evening!
