

Summer Explorations

MIDDLE SCHOOL EDITION

Play hockey, run your own food-truck business, & learn about future careers all while strengthening your math, science, and reading skills!

You can do all this by using the Everfi app!

1. Go to Clever & click on the Everfi app
2. In the top right, enter the course code: **PCSBmiddleschool**
3. Enter your birthdate (no email or last name needed)
4. Now you will see lots of great courses on your dashboard.

Click Start on one of the courses to begin!
How many courses can you complete this summer?

**SPEND SOME TIME WITH MOBY &
BRAINPOP THIS SUMMER!**

Follow these steps for Summer ELA Practice with BrainPOP

1. Go to Clever & click on the BrainPOP app
2. Click on the English tab
3. Once inside, select from any of the 4 English Units: Famous Authors and Books, Grammar, Study and Reading Skills, or Writing

You will have tons of topics to pick from once inside the unit. Start with the video for that topic and then try the other great features like Vocabulary, Worksheet, and Graphic Organizer.

Don't forget to take the Quiz when you're all done.
