

2020-2021 Pasadena Fundamental Elementary School

Partners in Education Sponsorship Commitment Form

Dear Community Business Partner.

Pasadena Fundamental Elementary School is proud to provide exceptional educational opportunities for students in our community while instilling in them values of acceptance, inclusion, and respect for others to prepare them for successful futures. The first fundamental school opened in Pinellas County in 1976, providing a “back-to-basics” approach to learning in a more structured environment than the typical school setting. Today, Pasadena Fundamental is an A+ rated school due in large part to the incredible partnerships between our school and community supporters and local businesses.

Our Pasadena Fundamental PTA provides many opportunities for businesses such as yours to advertise their services to nearly 500 students and their families, while at the same time supporting our school. We recognize this year is like no other and your business may well have been impacted by this pandemic, but the reality is that the needs of our students and teachers have not diminished. In some cases, they have increased. Your help is as important now as it's ever been.

Please select a sponsorship level that is meaningful to you and complete the information form below so that we may contact you with any questions or concerns. We are so appreciative of your support of Pasadena Fundamental Elementary. We look forward to a partnership with you that is mutually beneficial.

The Pasadena Fundamental Elementary PTA is a 501(c)(3) nonprofit organization. Donations made to our organization are deductible to the extent allowed by law.
