

2023-2024 Curtis Fundamental Gifted Program
Suggested School Supply List

Current Students that still have their Gifted Portfolio Binder from the 2022-2023 school year:

-You may either:

-**Dispose of the binder and all items in the binder** however you'd like, and then get a new, **1 inch view binder** (3 ring, any color) and **7 tab dividers** (any color, any style).

Or

-**Dispose of all the items in the binder** however you'd like **but re-use the 7 goal tab dividers along with the physical binder itself** for this school year (you do not need the 8th "Communication" tab anymore).

-Pencil boxes/pouches are not needed anymore for the Gifted Program for each student. We have all needed supplies in our classrooms for students to use.

NEW Students for the 2023-2024 school year:

- 1 inch view binder (3-ring, any color)
- 7 tab dividers (any color, any style) – clip them in the 3-ring binder and please label the 7 tabs as follows:

<u>Tab # - Label</u>	• Goal 3	• Goal 6
• Goal 1	• Goal 4	• Goal 7
• Goal 2	• Goal 5	

With all items listed above, **please keep all items home until your child's first day of gifted services. We will communicate with you their grade level's start date when we know when it is.

The **1-inch binder is to be brought to school on your child's gifted service day each week and return home on that same day.

Again, **no pencil pouches/boxes are needed anymore for the Gifted Program for each student. We have all needed supplies in our classrooms for students to use.

If you need assistance with any student supplies, please let us know.
