You can open work that your teacher has assigned (like Reference Materials or Word documents, in this example.) You can also upload your own files (like pictures of work you did on paper) by clicking the "Add Work" button. Complete your work, close the documents when you are finished, and turn the assignment in.

**Important:** Be sure to click **Turn in** when you are done! If you don’t click turn in your teacher won’t know to grade your work!
