

Summer Camp Scholarship Program

Do you know of a child who would benefit from the experience of our immersive summer camp programs focused on marine ecology?

Tampa Bay Watch strives to provide high-quality, inclusive summer camp programs for all of our community's youth. Through our summer camp scholarship program, Tampa Bay Watch provides camp experiences to campers that do not have the means to attend summer programs.

Our camp scholarship program offers free camp tuition to a limited number of students, awarded on a first-come, first-serve basis. Candidates must meet qualifying criteria and complete an application process to be considered for an award. We believe every child deserves the invaluable experience Tampa Bay Watch camps have to offer!
