ARTICLE I RECOGNITION

A. Unit

The Board recognizes the Association as the exclusive bargaining agent for collective negotiations concerning salary, benefits, working conditions and other terms and conditions of employment for all regular full-time and part-time employees of the School Board of Pinellas County in the unit as promulgated by the Public Employees Relations Commission in the Certification of Exclusive Collective Bargaining Representative pursuant to the provisions of Chapter 77-343, Section 12 - Certification Number 378. Included in the bargaining unit are all regular full-time and regular part-time employees as defined in Appendix A of this Agreement.

B. Definition of Employee

1. The term "employee" when used hereinafter in this Agreement shall mean all employees represented by the bargaining agent identified in Appendix A.

2. The term "full-time" employee shall refer to any employee scheduled to work at least six (6) hours per day in one work site.

3. The term "part-time" employee shall refer to any employee scheduled to work at least four (4) hours per day in regularly budgeted positions.

4. ~~Effective July 1, 1993, the~~ The term “part-time regular” employees shall be defined as those individuals employed by the district for more than six (6) consecutive months, regardless of the number of assigned hours.

C. Association Recognition

Recognition of the Association as the exclusive bargaining representative does not in any way preclude any employee to individually communicate with the members of the School Board, or with the agents and/or employees of the Board, in any manner consistent with this Agreement, provided this shall not be applicable to any matter subject to the grievance procedure except as specifically prescribed therein. The Board and the Association agree that neither will discriminate for or against any employee in matters relevant to salary or conditions of employment because of membership or non-membership in the Association. Employees have the right to join or refrain from joining, forming, or assisting professional organizations.

D. No change, rescission, alteration, or modification of this Agreement, in whole or in part, shall be valid unless the same is ratified by the Board and the Association and endorsed in writing herein.

E. All the rights and privileges granted under the terms and provisions of this Agreement are for the use of all employees in the bargaining unit.

**ARTICLE II
BARGAINING PROCEDURES**

A. Two subcommittees, Employee Well Being and Satisfaction, and Employee Education and Training in addition to the Bargaining Leadership Team will meet as needed for the purpose of reviewing the administration of the Agreement and to resolve problems that might arise. These meetings are not intended to bypass the grievance procedure. Should such a meeting result in a mutually acceptable amendment to the Agreement, then the amendment shall be subject to ratification by the Board and the Association.

B. Employee Well-Being & Satisfaction Committee - The parties agree to convene as needed, the Employee Well-Being & Satisfaction Committee composed of representatives of the administration, instructional, and supporting services personnel. The committee shall be charged with reviewing the present group insurance programs and examining possible alternatives for future consideration.

C. The Collaborative Bargaining Team's mission to continually refine a process to identify and meet the needs of educational stakeholders using a collaborative approach to attain common goals through continual improvement provides the foundation and direction by which the sub committees function. The Bargaining Leadership Team supports the bargaining process by clarifying expectations, coordinating recommendations, and ensuring the availability and utilization of information systems. Dates of bargaining sessions shall be established so as to expeditiously promote the achievement of agreement. Both parties shall endeavor to minimize the possibility of impasse. The Board agrees that, acting in good faith, it will not attempt to control the bargaining process through the premature adoption of a budget. Nevertheless, the parties understand that bargaining should not restrict the Board from its statutory obligation to prepare and submit a budget.

A-D. Bargaining proposals or amendments pertaining to the Agreement which the Association or the Board desire to be bargained shall be submitted in writing to the Superintendent. In turn, the Superintendent shall

notify the responding party in writing within five (5) school days from the date of receiving the proposals and shall contact representatives of the parties to arrange for a mutually acceptable time and place to commence bargaining within fifteen (15) school days from receipt of proposals. The parties agree that negotiations will not be reopened on any item of a ratified agreement except by mutual concurrence. Dates of bargaining sessions shall be established so as to expeditiously promote the achievement of agreement. Both parties shall endeavor to minimize the possibility of impasse. The Board agrees that, acting in good faith, it will not attempt to control the bargaining process through the premature adoption of a budget. Nevertheless, the parties understand that bargaining should not restrict the Board from its statutory obligation to prepare and submit a budget.

~~B.E.~~ Designated representatives of the Board and the Association agree to meet at a time and place which is acceptable to both negotiation teams. Each party agrees to certify its representatives to the other and to authorize said representatives to reach agreement subject to ratification.

~~C.F.~~ The parties to the bargaining process may call upon consultants to assist in preparing for bargaining and to advise them during conference sessions. The Executive Director of the Association and the Superintendent of Schools may attend at any time.

~~D.G.~~ During the bargaining process, either party may, with advance notice, request and receive from the other party information directly pertinent to matters under consideration.

~~E.H.~~ When consensus is reached covering the areas submitted to negotiations, the proposed agreement shall be reduced to writing and submitted to the Board and the support professionals for ratification. Until ratification by both parties has been accomplished, the Agreement shall have no power or effect.

~~F.I.~~ Until agreement on all issues under consideration is reached, neither party shall be bound by tentative agreements on certain articles of the total package unless mutually agreed to by Stipulation of Agreement during the life of the contract.

~~G.J.~~ If either party refuses to ratify the Agreement reached by the negotiation teams, the rejecting party shall state in writing to the other party the reasons for rejection. Said notification of the failure to ratify shall result in the resumption of negotiations within seven (7) calendar days. When both parties approve the negotiated Agreement, upon receipt of official action by the PESPA unit, the Board at the next official meeting will take action to consider ratification of the proposed Agreement.

~~H.K.~~ The parties agree to negotiate in good faith to reach agreements which are in the best interest of all stakeholders.

~~I.L.~~ In the event that impasse is declared by either side, said impasse shall be resolved according to the rules of the Public Employees Relations Commission.

~~J.M.~~ Negotiations shall be conducted at a time acceptable to the parties. Should such time conflict with the normal school day, representatives of the Association shall be granted temporary duty elsewhere leave.

~~K.N.~~ All bargaining shall be conducted according to the rules of the Public Employees Relations Commission, in a manner which assures the implementation of Article I, Section 6 of the Constitution of the State of Florida.

L. Should negotiations be completed after the start of a fiscal year, benefits agreed to under the terms of the settlement shall apply for the entire fiscal year unless expressly agreed to by the parties. In order for an

employee to be eligible for retroactive salary/benefits, the employee must be on active pay status at the time this Agreement is ratified by both parties.

ARTICLE III GRIEVANCE PROCEDURE

A. Definitions

1. A "grievance" is an allegation by an affected employee, a group of employees, or the Association of a violation, misinterpretation, or misapplication of the provisions of this Agreement.
2. The "aggrieved person" or "grievant" is the employee or group of employees, or the Association, asserting the grievance.
3. The term "days" when used in this article shall, except where otherwise indicated, mean working school days of a majority of all employees.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to grievances.
2. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Administration or with any appropriate representative of the Association at any time.

C. Time Limits

1. Since it is important that a grievance be processed as rapidly as possible, the number of days indicated at any level should be considered as a maximum, and every effort should be made to expedite the process. In order for a grievance to come within the scope of the grievance procedure outlined herein, it must be filed within twenty (20) working days of the day of the event or knowledge of the event giving rise to the grievance unless an extension is mutually agreed upon.
2. In the event that a grievance is filed on or after April 15, the time limits set forth herein should be reduced so that the grievance procedure may be exhausted prior to the employee's last day of duty.

D. Procedure

The parties agree that it is most desirable for an employee and the appropriate administrator to whom the employee is responsible to discuss the matter informally in an effort to resolve the problem. An Association representative may be requested to assist in efforts to resolve the problem informally with the appropriate administrator not including any person who is a member of any bargaining unit recognized by the Board. Should informal procedures fail to satisfy the aggrieved person, then the grievance shall be formally processed as follows:

1. LEVEL ONE (1) - Appropriate Administrator

An employee with a grievance (not remedied through informal discussion) shall submit his/her grievance in writing to his/her appropriate administrator (principal and/or designated supervisor) within ten (10) ~~school~~ working days of its occurrence. The written grievance shall set forth all of the pertinent facts, enumerate the specific provisions of the Agreement asserted to be violated, and specify the remedy requested. The

appropriate administrator shall meet with the employee and his/her representative to discuss the grievance. The appropriate administrator shall issue a written decision within ten (10) working days of such meeting.

2. LEVEL TWO (2) - Superintendent

If the aggrieved person is not satisfied with the disposition of his/her grievance at LEVEL ONE, or if no decision has been rendered within ten (10) ~~school~~ working days after the presentation of the grievance, he/she may forward his/her grievance in writing to the Superintendent or his/her designee. The Superintendent or his/her designee shall request the grievant and his/her representative to meet with him/her to discuss the grievance, provided such meeting shall be scheduled no later than ten (10) working days following the filing of the grievance at LEVEL TWO. The Superintendent or his/her designee shall respond in writing to the grievance within ten working days of the filing or of the meeting, with a copy to the Association.

3. LEVEL THREE (3) - Arbitration

If the Association is not satisfied with the disposition of the grievance at LEVEL TWO, or if no decision has been rendered within the time limits prescribed at LEVEL TWO, it may submit the grievance to binding arbitration by giving notice of the same in writing to the Superintendent or his/her designee within fifteen (15) working days of the LEVEL TWO response, or if such response was not given, of the date when such was due. If the parties cannot agree upon an arbitrator within seven (7) working days of such notice, the arbitrator shall be selected utilizing the procedures of the American Arbitration Association or the rules of Federal Mediation and Conciliation Service.

a. The arbitrator selected shall confer with representatives of the Board and the Association. A prompt hearing will be held and the arbitrator shall issue a decision no later than thirty (30) working days from the conclusion of the hearing. If oral arguments have been waived, a decision will be issued after final documents are submitted. The arbitrator's written decision shall set forth findings of fact, reasoning and conclusion on the issues submitted. The arbitrator shall not alter or amend any provisions of the Agreement.

b. In the event that arbitrability of a grievance is at issue between the parties, the arbitrator shall resolve the same in accordance with established arbitral practice, provided this section shall not be construed as to limit the right of either party to seek judicial intervention or interpretation.

E. Costs

1. Should either party request a transcript of the proceedings at LEVEL THREE, then the party shall bear the full cost of the transcript. If each party requests a transcript, the cost of the transcripts will be divided equally between the parties.

2. The costs of the services of an arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

3. Each party shall bear the full cost of its representation at levels of the grievance procedure.

F. Rights of Employees to Representation

1. Employee and Association

a. No employee shall be required to discuss a grievance if an Association representative is not present.

b. A representative of the Association may be present at any formal meeting of this procedure.

2. Reprisals - No reprisals shall be taken because of participation in the grievance procedure.

G. **Miscellaneous**

1. The parties will cooperate in the investigation of any grievance and provide pertinent non-confidential information necessary for the processing of a grievance.

2. **Group Grievances**

a. In order to prevent the filing of a multiplicity of grievances on the same question of interpretation or compliance where the grievance covers a question common to a number of employees, it shall be processed as a single grievance. Any group grievance shall set forth thereon the names of the persons of the group and the title and specific assignments of the people covered by the group grievance.

b. Grievances arising at a level other than the building level shall be processed in the same manner as building grievances except that the grievance will be initiated with the appropriate county administrator rather than with the principal.

3. **Separate Grievance File** - All records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

4. **Forms** - Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent or his/her designee and the Association President or his/her designee and given appropriate distribution to school buildings and work locations. The appropriate form is located in the appendix section of this document.

5. **Meetings and Hearings** - All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives heretofore referred to in this ARTICLE provided the Board may be represented at any such meeting or hearing.

6. As provided by law, and except as otherwise provided herein, the Association retains the exclusive right as the bargaining agent for the management of the grievance procedure on behalf of all employees.

ARTICLE IV EMPLOYEE RIGHTS AND PRIVILEGES

A. Employees may wear unobtrusive insignias signifying membership in the Association or its affiliates, provided however, that during working hours, employees shall not involve students, other employees of the Board, or members of the public in any controversy or dispute between the Board and the Association or its members.

B. The parties acknowledge that all employees be treated in a professional manner and that employees interact with each other in a professional manner as well.

C. Provisions shall be made to provide reasonable access to district email accounts and the district website within the workday.

ARTICLE V
ASSOCIATION RIGHTS AND PRIVILEGES

A. Requests for Information

1. The Board shall furnish to the Association, in response to reasonable written requests from the Association President or designee available, public information concerning the financial resources of the district, including the current audit, annual financial report, and budget. Nothing herein shall be construed as to require the Board to research or compile information.

2. The Directory of Personnel shall be available to the Association electronically.

3. The Board shall invite a representative of PESPA to serve as a voting member on district wide calendar committees which will affect their working conditions each year. The Board agrees to provide the Association with drafts of all proposed personnel calendars for its input.

B. Participation in Meetings

Whenever any representative of the Association is mutually scheduled to participate in negotiations, conferences, grievance hearings, or arbitrations during normal working hours, he/she shall suffer no loss in pay.

C. Association Meetings and Visitations by Officers/Staff

1. Association officers and staff shall be permitted to visit any work site to conduct Association meetings or communicate with Board employees. Visits shall not interfere with or interrupt work operations or performance of employee's duties. Meetings shall require prior approval of the appropriate administrator.

2. When visiting a work site, the Association representative shall give reasonable advanced notice to the appropriate administrator and shall report to the office upon arrival. Except as otherwise authorized by the ~~Associate Superintendent for~~ Chief of Human Resources, no more than six (6) Association representatives shall visit a work site at one time.

3. Nothing herein justifies interference whatsoever with the performance of an employee's assigned duties and responsibilities.

4. Association members in each work site shall have the exclusive right to elect their Association Representatives according to the Constitution and Bylaws of the Association. Where there is no Association representation, the PCTA representative may act as representative for Association members or the PESPA President may appoint one until such time as one is elected. The Association representative shall act as the official representative. Administrators shall maintain communications with administration on professional matters.

5. Association members may hold open or closed meetings with prior notification to the appropriate administrator. Such meetings shall not interfere with the normal student day and may not interfere with regularly assigned duties. When such meetings have been scheduled, conflicting meetings shall not be scheduled.

6. The use of designated areas for such meetings shall be arranged with the appropriate administrator in advance. All requests for building use shall conform to Board rules and regulations provided, however, that there shall be no cost to the Association for such meetings so long as no overtime custodial cost is involved.

D. Use of School Mailboxes

The Association shall have the right to use the school mailboxes if provided for some or all employees, subject to reasonable building and/or district wide regulations.

E. Association Use of Interschool Communication System

To the extent provided by law and district policy, the Association shall have the right to use the in-school communication systems.

**ARTICLE VI
PERSONAL FREEDOM**

The private life of an employee is his/her own so long as it does not impinge upon the ability of the employee to perform his/her duties and to meet all of his/her responsibilities. Any assertion of violation of this ARTICLE shall not be appealable to LEVEL THREE of the Grievance Procedure unless the employee and the Association shall execute a full and complete waiver and agreement that no action, suit, or complaint will be brought in any court of law or equity or before any regulatory or administrative agency with respect to such alleged violation.

**ARTICLE VII
VOLUNTARY TRANSFERS AND PROMOTIONS**

A. Definition

A voluntary transfer is when an employee requests a change in work location. Voluntary transfers are not promotional.

B. Postings

The Board shall post notice of vacant promotional positions for which employees might reasonably be expected to be qualified to fill. The Board reserves the right to fill vacant promotional positions from within the work site prior to posting such vacancies throughout the district.

C. Procedures for Filling Vacancies

1. Prior to filling, on a permanent basis, any vacancy created in the bargaining unit by a transfer, retirement or termination, the Board shall invite interested applicants to submit a Job Posting Application specifically addressing their individual qualifications relative to the position posted. Such forms shall be submitted to the Human Resources Office and shall be signed by the employee's supervisor in order to be a valid request. Application for promotion must include the recommendation of the immediate supervisor. All qualified in-house employees shall have equal opportunities to apply and be considered for promotional positions.

~~Note: On in-house promotions, all qualified employees must have equal opportunities to apply and be interviewed.~~

2. In appointing a replacement for a vacancy, factors to be considered may include, but not be limited to, up to 3 (three) years of performance appraisals, academic background, seniority, attendance, qualifications and skills, interview performance, if requested, and previous test results if required for the position. Probationary and substitute employees are eligible to apply and may be considered for promotional vacancies only after it is determined that there are no fully qualified regular employees who have skills appropriate to the position to be filled. Priority for interview for such positions shall be given to lateral transfer applicants. If a lateral transfer is not granted, the Board shall fill the vacancy through the normal promotional selection procedures.

~~Note: When performance appraisals are used for lateral or promotional interviews, the last three (3) years of appraisals will be considered.~~

3. When a probationary or substitute employee's name appears on the spread sheet, it will be noted that such employee is not eligible to be interviewed unless there are no qualified full-time regular employees.

4. All final offers of employment, including but not limited to transfers and reassignments, shall be made through the Human Resources Office. No offers of employment, except those authorized through these procedures shall be deemed valid.

5. The Board agrees to the development of a fair and consistent testing situation. Issues to be addressed shall include, but not be limited to: testing site, equipment, frequency of testing and scoring of the tests used. Equipment used in testing shall be maintained in good condition. Employees shall have the right to make an appointment to review the results of their tests and to receive feedback.

6. Employees selected to fill vacant promotional postings shall be entitled to assume their new duties within fifteen (15) working days of the date of acceptance of the position. Extensions of this period shall only be by mutual agreement between the employee and the appropriate supervisor. Interview and selection shall be completed in a reasonable period of time.

7. Employees who are asked to interview during the work day shall be given TDE assignment for such interview time.

D. Processing of Requests

In the determination of requests for voluntary reassignment and/or transfer, the wishes of the employee shall be honored to the extent that the transfer does not conflict with the best interest of the school system. If an employee's request for transfer has been denied, the Superintendent or his/her designee shall notify the employee in writing of the reasons for the denial of transfer. Copies of the notice to employee for assignment or denial shall be provided to the PESPA President.

ARTICLE VIII INVOLUNTARY TRANSFERS AND REASSIGNMENTS

A. Definition

1. An involuntary transfer is a transfer instituted by the Administration.
2. When circumstances dictate a reduction in position(s) other than a district-wide reduction in force, the Board shall first solicit volunteers from among the group or class to be reduced or transferred. Those who volunteer to transfer shall be treated in accordance with the provisions of Article VII. Should further reduction be necessary, the Board shall transfer remaining employees to positions for which they are deemed qualified elsewhere in the district.

B. Meeting and Appeal

An employee who is involuntarily transferred shall be offered a meeting with his/her appropriate administrator to discuss the reason(s) for such transfer. At the employee's request, an Association representative may accompany the employee at such meeting. Upon request, a letter of explanation will be given to any employee involuntarily transferred.

- C. The Board shall give ~~notice of ten (10) working days~~ reasonable notice prior to the effective date of transfer ~~or as soon as practicable.~~

D. Priority in Reassignment

An opportunity to discuss open positions in the school district shall be made available to all employees being involuntarily transferred or reassigned. Such employees may request the positions, in order of preference, to which they desire to be transferred. An employee being involuntarily transferred or reassigned shall be compensated at the appropriate pay for the new position in compliance with the adopted salary plan.

ARTICLE IX EMPLOYMENT PROCEDURES

A. Reduction In Force

1. Should circumstances dictate a general reduction in force, the Board shall take whatever steps are necessary to assign personnel to appropriate positions within the district for which they are qualified, consistent with this Agreement and law. In the event the Board is unable to maintain all employees, it shall immediately meet with the Association to provide for an orderly method of reducing and recalling affected employees.

2. Reductions in support staff during summer programs will be determined by Continuous Pinellas Experience considering the specific skills required to meet the student needs.

B. Procedures for Recall

A laid off employee shall have recall rights for ninety (90) calendar days following termination. Notice of recall to work shall be addressed to the employee's last address appearing on the records of the school district, by certified mail. Within ten (10) calendar days from receipt of such notice of recall or within fifteen (15) calendar days of the date of the mailing, whichever shall first occur, the employee shall notify the director of the department involved, in writing, whether or not (s)he desires to return to the work involved in the recall. If (s)he fails to reply or indicates a desire not to return to such work, (s)he shall forfeit all rights to recall. If (s)he indicates a desire to return to the proposed assignment, (s)he must report to such work within ten (10) calendar days from the date the recall notice was received or the time period set forth in a written extensions signed by the director or designee of the department. If an employee terminates employment with the district for any reason and subsequently accepts an assignment to a position different than the position he or she held prior to the lay-off, the employee shall be subject to a new probationary period not to exceed six (6) months and shall sign an "at will" form provided by the district. Failure to return to work shall result in forfeiture of seniority and all rights to recall.

C. Procedures for Reduction in Personnel or Hours Due to Staffing Changes

When it is determined that a specific reduction in personnel or hours is necessary, the responsible administrator shall seek volunteers. If there are no volunteers, the following procedure shall be applied:

1. The specific needs of the program or school center shall be established and considered.
2. The individual skills, education and abilities of potential candidates for reduction shall be reviewed by the appropriate administrator.
3. If all of the above factors are substantially equal, length of service ~~in the program or center~~ within the bargaining unit shall be the determining factor.
4. The decision of the appropriate administrator shall be final.

D. Substituting

Except as otherwise provided for and/or authorized by law or agreement, and except in an emergency, it shall not be the practice of the Board to use members of the unit as substitutes for certificated personnel. In such an emergency, employee substituting shall be paid at 1 ½ times their normal salary.

Whenever feasible, the supervisor will seek and accept volunteers. The parties agree that it is not a desirable practice to consistently use any member of this bargaining unit to cover for another employee.

The district shall refrain from hiring substitutes for permanent positions within this unit. Temporary substitutes may be hired for short-term until a permanent replacement can be hired.

E. Resignation

1. An employee who is resigning from his/her position shall give at least two (2) weeks notice.
2. Earned vacation shall be paid promptly following termination of employment.

F. Notification of Employment

All employees shall be notified of their employment status for the ensuing year no later than two weeks prior to the end of the regular school year, if feasible.

H. Disciplinary Action

If a meeting with an administrator could result in any disciplinary action, the employee must be notified in advance so that the employee can make arrangements for Association representation if so desired. If necessary, the employee may request the opportunity to reschedule the meeting when proper representation is available.

I. Review of Disciplinary Actions

Appeal Procedures - Upon completion of the probationary period, employees shall continue from year to year unless the Superintendent terminates the employee for just cause. The provisions of Board Policy relative to employee discipline shall define just cause. Should the Superintendent suspend without pay or seek termination of an employee, the exclusive forum of appeal shall be through the Administrative Procedures Act (Chapter 120, Florida Statutes).

J. Official Use of Personal Automobile

Employees who are required to utilize their personal automobiles for official business, such as home visitation, with advance approval of his/her principal or appropriate administrator, shall be compensated for mileage at the current rate.

K. Probationary Period

All newly hired or rehired employees shall be subject to a six (6) months probationary period and shall sign an "at will" form provided by the district. Prior to the expiration of a probationary period, Management may, at its sole discretion, extend the probationary period for one ninety (90) day increment and the employee shall sign the cover sheet or cover memo and shall sign and receive a copy of any related appraisal or documentation. Probationary period extensions shall not be subject to the grievance procedure.

L. Absenteeism

Unauthorized absence shall be defined as any absence which is not properly chargeable to accrued leave or which has not been approved under any of the other leave provisions provided for in this Agreement. Absence due to emergencies will be given full, fair and equitable consideration. Excessive absenteeism or patterns of absenteeism may be cause for disciplinary action and may be reflected on the employee's annual performance appraisal. Prior to completion of the performance appraisal, an employee must be apprised of administration's concerns regarding absenteeism through a conversation between the employee and the supervisor or written notice of such concerns. Notwithstanding any other provision set forth herein, five (5) days of unauthorized absence in any one pay period or ten (10) days of unauthorized absence in the most recent twelve month period shall constitute grounds for termination and any employee who is absent for three (3) consecutive work days and who fails to notify his/her appropriate administrator of the reason, except in extenuating circumstances beyond the control of the employee, may be terminated for abandonment of position.

In the event of shelter openings, volunteers will be sought from the existing roster.

These volunteers will be placed at the bottom of the roster for the remaining school year after completing shelter duty. If there are not enough volunteers to fill positions required, shelter duty assignments will revert to the beginning of the shelter duty assignment list, (based on seniority-recent hires at top of list).

All supporting service professionals that serve shelter duty will be moved to the bottom of the shelter duty assignment list for the current school year of the event. Assignment list will revert to seniority for the following and subsequent school years.

All supporting services professionals will be paid pursuant to the reimbursement guidelines established by Federal Emergency Management Agency (FEMA) for public employees required to provide shelter duty service during emergencies.

4. The "normal workday" as used herein means the number of continuous hours that an employee can be expected to be available for employment. When medication administration and/or medical services must be delegated to non-medical support professionals, the following process will occur:

**ARTICLE XVII

FOR PESPA SALARY SCHEDULES**

SALARY SCHEDULE

The salary of each employee covered by this Agreement is set forth in Appendix B which is attached hereto and made a part thereof. ~~For 2009-10, the following amendments will be made to the three year successor agreement:~~

- ~~1.~~ 2. No increases on the salary schedule will be provided for the 2009-10 school year. However, the parties agree to an increase of 1.5% added to the schedule for the 2010-11 school year.
- ~~2.~~ 3. \$250 in compensation shall be provided for employees who have completed all three strands of the requirements for Certificate of Distinction II. This amount will be in addition to any compensation

1. Effective Date

The effective date of the provisions set forth in the following procedures and salary schedules shall be July 1 of the fiscal year, unless otherwise indicated. Only employees on the active payroll, or on approved leave of absence at the time the annual increases are ratified and are approved by the Board, would be eligible to receive any new salary adjustments.

Base salary/rate is defined as an employee's un-equalized hourly rate of pay, exclusive of shift differential or any other applicable bonus.

An individual's base rate of pay will not be less than the minimum of the salary range or over maximum, except when the intern procedure is recommended or in the case of temporary promotions.

For consistency in administration, base hourly rates are used for calculation purposes in applying the following procedures.

2. Placement on Salary Schedule

a. A newly-hired individual may be placed on the applicable salary schedule as follows:

(1) At the minimum of the applicable salary range unless it is determined by the supervisor and Personnel that credit for outside experience is necessary to obtain the most qualified candidate.

(2) If outside experience credit is deemed necessary, an additional one percent (1.0%) above minimum may be granted for each year of related job experience in excess of the minimum qualifications up to a maximum of ten percent (10%). When salary credit is granted for outside experience, it is the supervisor's responsibility in conjunction with Personnel to review the salaries of current incumbents of the same job within the department to ascertain the impact on internal equity.

The specific related experience must be indicated when applying for the job. After the job offer has been made, the related experience submitted may not be altered.

b. Intern Procedure: An applicant who does not meet all minimum qualifications for a job may be hired as or promoted to an intern at a rate of pay ten percent (10%) below the applicable rate of pay for that position. 3. Procedures For Incremental/Structural Increases

a. **Movement Within the Salary Range** (Incremental): Each year a portion of the total salary increase may be designated for movement within the salary range. In order to receive an incremental increase, an employee must also be in an active pay status or on an approved leave of absence at the time the annual increases are approved by the Board.

- b. **Movement of the Salary Schedule** (Structural): Each year a portion or all of the total salary increase may be designated for movement of the salary (range) schedule. Any employee within the salary range is eligible for this increase provided the base rate of pay does not fall above the salary range maximum.
- c. **Part-Time Regular Employees:** Employees hired on or before February 1 and in an active pay status or on an approved leave of absence at the time the annual increases are approved by the Board shall be placed at the amount which provides the same percent increase granted to full-time employees on the same salary schedule contingent upon availability of funds.
- d. **Retroactive Pay:**
 - (1) The above increases would be retroactive to the beginning date of the employee's annual payroll calendar, unless otherwise indicated. Part-time regular employees are included in the receipt of retroactive pay.
 - (2) An employee who is required to return to a regular full-time job classification immediately prior to the beginning of their normal work year will receive retroactive salary adjustments on all hours paid where such employment is approved by the Board.
 - (3) Part-time temporary employees and substitutes are not eligible for retroactive pay.

Any increase shall not be more than twelve percent (12%) or less than minimum.

b. In-Grade Adjustments

When an employee currently paid on the Non-Exempt Salary Schedule is transferred to a position within the same pay grade, which is determined to be a promotion by Compensation and approved by the ~~Associate Superintendent~~ Chief of Human Resources, the employee shall receive a five percent (5%) increase calculated on an hourly rate.

c. Temporary Assignment to a Higher Job Classification on the Non-Exempt Salary Schedules

Employees temporarily assigned to assume the duties of an absent employee in a higher level job classification shall receive whichever is less: an increase of ten percent (10%) of their base salary (calculated on the hourly rate) or the amount he/she would have received had the employee actually been promoted to the position on a regular basis. Employees who do not meet eligibility requirements for the position shall receive an increase of five percent (5%) of their base salary (calculated on an hourly rate). The duration of a temporary assignment shall not be less than sixty (60) working days for classifications on the exempt salary schedule or ten (10) working days, not to exceed ninety (90) calendar days, for classifications on the non-exempt salary schedule and will require approval of the appropriate Cabinet member or his/her designee.

5. Reclassifications

Reclassification to a Higher Pay Grade: When a position is reclassified to a higher pay grade, the incumbent's current rate of pay shall be increased in accordance with the promotion guidelines.

Reclassification to a Lower Pay Grade: Procedures for downgrade will apply.

6. Procedures For Downgrade

- a. Any employee moved to a lower pay grade shall have the current base rate of pay decreased by the percent difference between the new and old pay grade midpoints (calculated on the hourly rate) effective on the date of entry into the new position.
- b. If an employee is downgraded or promoted then returns to the previous job within one (1) year, the employee will revert to his/her previous rate of pay.
- c. If any employee due to a special cause was downgraded to a lower pay grade and allowed to keep his/her hourly rate of pay, the employee will not be eligible for any promotional salary increase until he/she exceeds the highest pay grade previously held.

7. Lateral Move

When an employee is moved laterally from one salary schedule or job title to another, in a pay grade which has approximately the same midpoint (a midpoint difference of less than one (1) percent), the employee shall retain the current base rate of pay, provided the current base rate of pay is equal to or between the pay grade minimum and maximum. If the employee's current base rate of pay exceeds the new pay grade maximum, it will be reduced to the new pay grade maximum on the effective date of the lateral move.

8. Termination and Reinstatement

- a. An employee who terminates employment and is rehired within one (1) year in the same job classification may receive the previous rate of pay. In all other instances the procedures for regular employment shall apply.
- b. An employee who transfers from a substitute or temporary position into a regular position who has previously held a regular position, will be restored to the pay rate previously held and receive any adjustments per the current salary language.

9. Overtime Eligibility

Non-exempt employees required to work more than forty (40) hours in any single week shall be compensated at one and one-half (1-1/2) times their base rate of pay for those hours over forty (40), unless the compensatory time provision of these procedures is used.

- a. **Work on Holidays:** Non-exempt employees required to work on paid holidays shall be compensated at a rate of one and one-half (1-1/2) times their base rate of pay for all hours worked in addition to their straight-time holiday pay. Additional personnel slots must be requested through budget. Job title and pay grade will be determined by Compensation Administration.

16. Bus Assistant Supplements and Guidelines

1. The assignment of support professionals to assist on a bus will be the decision of the IEP Committee, and their primary responsibility is to the safety of those students.

2. Bus assignment is to be determined on the basis of seniority at the commencement of the school year OR a documented process by an all inclusive committee structure that provides for input from ESE Associates and administration.

3. The supplement for riding the bus shall be a maximum of \$6.50 per day or \$3.25 per shift ~~prorated over the 180-day period~~ and shall be paid only for those days when the Associate rides the bus. On days when an Associate is absent, the supplement shall be paid to the substitute.

4. On early release days, effective only in the 2012-2013 school year, associates who must ride the bus and miss professional education training at their school, shall receive compensation for the full day but shall be required to provide the equivalent amount of time as mutually agreed to by the employee and the appropriate administrator. Approved compensatory time may be used for this purpose.

5. Schools with Assistants who ride the bus will develop a plan to give adequate breaks to Associates prior to boarding and after arrival from bus.

ARTICLE XVIII FRINGE BENEFITS

A. 1. Benefit Program - The Board agrees to provide a comprehensive benefits program to include but not limited to health, dental, life, vision, accidental death and dismemberment and income protection insurance. Health Care Reimbursement and Dependent Day Care Reimbursement Accounts are also provided. The amount of board contribution and employee deductions will be determined annually through the bargaining process.

The Board will pay approximately 80% of the ~~total~~ annual health insurance ~~increase~~ premium for the duration of this Agreement (2008-2011). Individual amounts will vary based on the plan selected.

B. 2. Section 125 Cafeteria Plan - The Board agrees to provide a Cafeteria Plan with a premium conversion option, which enables employees to pay their portion of most insurance premiums on a pre-tax basis. Enrollment in the Flex Plan is automatic for eligible employees and participation continues from year to year, unless the risk management and insurance department is notified by the employee in writing to cancel participation. The cancellation request must be received by the department within thirty (30) days of a qualifying life event or during the annual open enrollment period.

Premium payments for insurance coverage are deducted from the employee's gross salary before taxes are taken. Because FLEX is considered by IRS as a salary reduction plan elections may only be made annually. Employees may not change their election during the calendar year unless a change in family status occurs. The IRS defines a change in family status as: marriage, death, divorce, birth, adoption, loss or gain of spouse or dependent's employment, loss of plan eligibility, change of residence or work, entitlement to Medicare or Medicaid, or a judgment decree or court order requiring coverage of dependents. Regulations for salary reduction are independent from insurance carrier provisions for change in coverage.

C. 3. Eligibility - Regular employees who work at least thirty (30) hours per week, job share employees and employees who work two part-time regular jobs totaling more than 30 hours per week are eligible for benefits. Dependent eligibility guidelines will be in accordance with provisions outline in the Beneflex Guide.

D. 4. Enrollment - Initial Enrollment: Enrollment and change forms are due in the risk management and insurance department within thirty (30) calendar days of hire or change of eligibility status. Coverage becomes effective the first day of the month following 60 days of employment or change of eligibility status.

Open Enrollment: The Board provides an annual enrollment period during which an employee may add, cancel, or change coverage. ~~If no action is taken by the employee to change coverage, previous coverage will continue for the next calendar year.~~

E. 5. Changes in Coverage - In accordance with IRS guidelines and carrier contracts, employees may make certain changes during the plan year if a change in family status occurs. A completed Enrollment & Change Form and supporting documentation must be received by Risk Management within 30 days of the qualifying event. The change in coverage will be effective the first of the month following the qualifying event and receipt of the enrollment form by risk management.

E. 6. Termination of Coverage - Insurance coverage ends the last day of the month in which an employee no longer meets eligibility requirements, retires, terminates employment or fails to pay the required premiums when due.

G. 7. Basic Board Life - The Board shall provide, to eligible employees, group term life insurance in the amount of one times annual salary rounded up to the next one thousand dollars with a minimum amount of \$15,000.

H. 8. Board Contribution - Recognizing the importance of stabilizing the health insurance rates and expanding the number of persons participating in the group health insurance programs, the parties agree to continue a plan of variable Board contributions and to minimize the adverse impact of annual health insurance premium increases.

The Board contributes toward the cost of employee benefits each pay period September through June ~~August through May~~ when a Board issued paycheck is received (not to exceed twenty (20) contributions per calendar year) In any period during which a paycheck is not earned, the employee will owe both the Board contribution amount and normal insurance deductions. Board contribution amounts vary and are negotiated annually.

When an employee chooses health insurance coverage, the Board contribution amount is automatically credited toward the per-pay-period health insurance premium.

No Health Option - If an employee does not select health insurance coverage, the employee may apply the predetermined "No-health Board contribution" toward the purchase of certain supplemental insurance benefits. The parties agree to provide benefits eligible employees who do not elect health insurance up to \$ 75 a pay period in flex credits to be used to purchase supplemental benefits including Dental, Vision, AD & D, Short-Term and Long-Term Disability, the Hospital Confinement Plan and the Health Care Reimbursement Account (HCRA). The maximum amount of board provided flex credits elections into the HCRA may not exceed \$25 a pay period and the minimum election amount may not be less than \$5.

Funds deposited into the HCRA will be administered in accordance with IRS guidelines and the district's administrative procedures governing its Flex plan. The maximum amount that the district will continue annually to the HCRA is \$500. Any unused flex credits will be forfeited. Due to the monthly administration fee, a minimum of \$5 per pay has been established.

Employees may not use these credits to purchase Optional Employee or Dependent term life or apply toward the dependent care reimbursement accounts or MetLife Voluntary products. Board contribution is not cumulative and Board contribution not used is forfeited.

Eligible married Board employees, both working for the District, who wish to be covered by the same health insurance plan and have at least one additional dependent (total of three persons), may select the Two Board family option. ~~Eligible married Board employees, who do not have additional dependents, must choose separate single plans.~~

I. 9. Insurance Deductions - Premiums for insurance plans are due in advance; therefore deductions begin the month before the insurance effective date. Deductions are taken over 20 pay periods with no scheduled deductions taken in the summer. In the event that an employee's coverage in any insurance plan is effective after January 1 or if a change in coverage occurs due to a change in family status, the employee's payroll deduction will be adjusted to insure that adequate premiums have been collected.

For all insurance programs, payment of premiums does not guarantee that coverage is in effect. Coverage and eligibility are determined by the insurance contract and the policies and procedures of the Risk Management Department. If premiums are collected in error, a refund will be issued. In the event of a discrepancy in coverage, Risk Management records are determinative, unless the employee can provide a copy of an approved enrollment form to the contrary.

Enrollment in a Board benefit plan authorizes the Board to payroll-deduct any and all required insurance premium(s). Employee rates are reflected in the Beneflex Guides. ~~which are distributed each year during Pinellas County Schools' annual open enrollment.~~

J. 10. Waiver of Health Insurance Premium

An employee on an approved leave of absence who cannot work because of total disability and has used all available sick leave and vacation time may apply for waiver of his/her health insurance premium. Employees must apply for the waiver within thirty (30) days of the date of eligibility notification from the risk management and insurance department. Waiver of premium (total cost of health insurance) will begin 90 days from the beginning of his/her disability and after exhaustion of FMLA, whichever is later, and will be considered while on an approved leave through Personnel. Waiver of premium documentation must be submitted at least every six months or upon request. Failure to provide this documentation will result in cancellation of the waiver of premium option.

K. 11. Payment of Insurance While on Leave - While on an approved, non-FMLA, unpaid leave of absence, employees are required to pay the entire cost of all insurance plans, including Board paid life insurance in order for coverage to continue. Payment must be received by the risk management and insurance department by the first of each month. Insurance coverage will be canceled for nonpayment if full payment is not received by the due date. When an employee is on an approved Family Medical Leave (FMLA), the employee is responsible only for payment of the portion of premium(s) the employee normally pays. Nonpayment of premiums will result in cancellation of coverage.

L. 12. Payment of Insurance While Suspended Without Pay - While on suspension without pay, an employee is considered to be on unpaid leave of absence. As such, the employee is entitled to maintain insurance coverage by paying the total cost of insurance. If the employee elects to continue insurance and is reinstated, the employee will be refunded the Board contribution paid during the period of suspension. If the employee elects to continue insurance and is not reinstated, the insurance will terminate the last day of the month in which the employee is dismissed. If the employee chooses not to continue insurance and is reinstated, insurance will be reinstated the first of the month following the date of the final order and the employee will be responsible for any regular employee contribution.

M. 13. Retiree Insurance - An employee who retires with six or more years of service and elects to receive a state retirement check or retirees under the FRS investment plan with 30 or more years of service may participate in the retiree insurance program. Benefit election must be made within thirty (30) days of the effective date of retirement. Employees who do not enroll at retirement shall be ineligible for future participation in the Board retiree insurance program.

Retirees may only continue the health insurance in effect at the time of retirement. Basic board provided life insurance benefits may be continued or decreased but may not be increased. Life insurance benefits are subject to age reduction formulas as determined by the carrier. Retirees may also maintain dental coverage only as allowed by the provider and may also maintain coverage in the vision plan. Accidental death and dismemberment and Optional term life insurance benefits may be continued as an individual contract subject to insurance company procedures. Income protection coverage ends upon retirement.

Retirees may make changes in coverage ~~due to a change in family status~~ in accordance with carrier guidelines.

N. 14. Employee Assistance Program - The Board provides an Employee Assistance Plan (EAP) to all part and full-time employees, retirees, and family members living with an employee or retiree. Employees, retirees and family members may utilize the EAP even if they are not enrolled in the Board health plan. Participation in the EAP is voluntary and all records and discussions with the EAP are confidential.

Q. 15. Voluntary Retirement Programs - Pinellas County Schools provides eligible employees an optional 403(b), 457 and Roth deferred compensation programs. The Board is not responsible for the actions of nor recommends any company or investment product. Contributions must be made through payroll deduction and therefore are considered a salary reduction. Change requests must be in writing on the appropriate form to the attention of Risk Management & Insurance.

P. 16. Workers' Compensation - The Board provides Workers' Compensation benefits pursuant to Florida Statute, Chapter 440. Workers' Compensation indemnity benefits paid in combination with an employee's sick leave or vacation time shall not exceed the employee's bi-weekly salary. Whenever possible the Board will provide for up to 90 days, light or modified duty for any employee returning to work after a job-related injury. Reasonable accommodations will be made in accordance with restrictions of the authorized treating physician. The employee is required to report for work on the day indicated by the authorized treating physician.

- Computation of annual salaries for biweekly payroll
- Hours in excess of the normally scheduled work week up to and including 40 hours
- Computation of overtime

Note: In most cases, hourly rates received in bi-weekly paychecks are slightly less than those published above. This is due to the equalized pay process that provides pay for time not worked on school Board-designated “no work/no pay” days.

APPENDIX C

This Stipulation of Agreement shall be in effect for the 2011-12 and 2012-2013 school year.

For the 2011-2012 school year, priority schools are as follows: Boca Ciega High School, Lakewood High School, Dixie Hollins High School, Gibbs High School, Azalea Middle School, Pinellas Park Middle School, James B. Sanderlin Elementary School, Maximo Elementary School, Sandy Lane Elementary School, Melrose Elementary School, Fairmount Park Elementary School, Woodlawn Elementary School and Lakewood Elementary School.

Bilingual Assistants, Child Development Associates, Exceptional Student Associates, Paraprofessionals, and Physical Education Assistants assigned to the above listed priority schools will be paid a supplement of \$300.00 annually. The supplement amount is to be prorated if the direct assisting in the instruction of students is less than full time. Verification by the principal for any other PESPA Bargaining Unit employees not listed above, who spend 50% or more of their day with responsibilities directly assisting in the instruction of students, must be submitted to Human Resources to receive the supplement. The supplement will be considered compensation in accordance to Florida Retirement System guidelines. In order to be eligible, an employee must be on active payroll status.

For the 2011-2012 school year the amount will be payable in one installment on May 25, 2012.

For the 2012-13 school year the amount will be payable in two equal installments at the end of each semester upon verification of 90 days worked per semester.

Eligible employees will be required to sign a letter of acknowledgment accepting their role assisting with student instruction at one of these priority schools.
