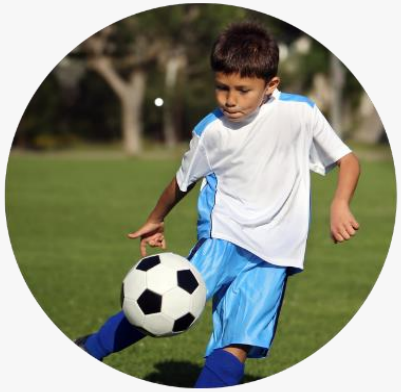
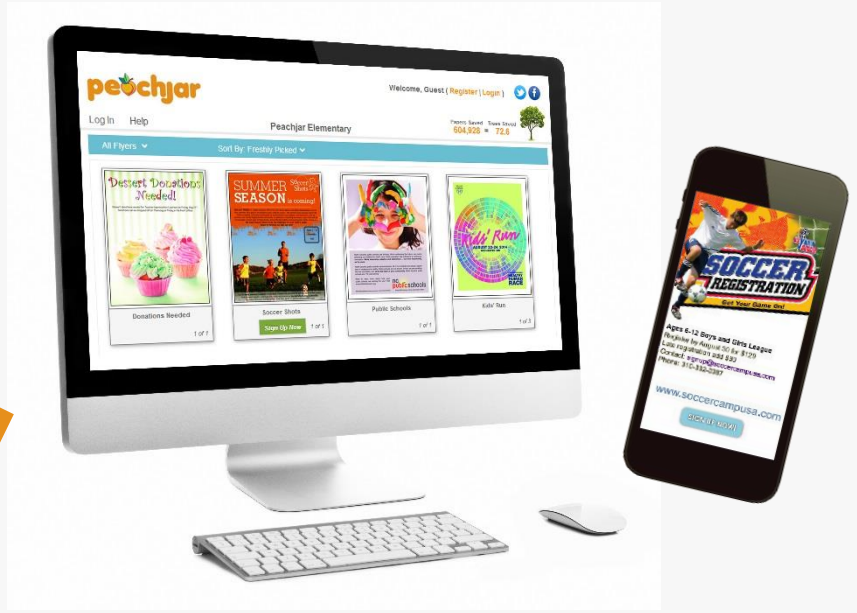
District Office,
Schools, and Parent Groups



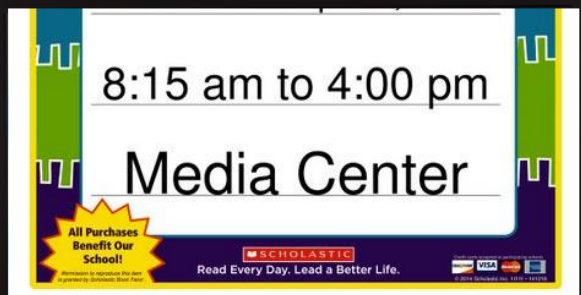
Community Partners

Approval Center



Posted Online and
Emailed to Parents

APPROVED FLYERS ARE EMAILED DIRECTLY TO PARENTS' INBOXES AND POSTED ONLINE



Service Features

- Eflyers go to all parent/guardian email addresses
- Parents also see flyers through Peachjar button on each school's website
- Direct path for online sign-ups
- Lots of full-color templates available (free and not required for use)
- Only school/district-approved flyers are posted & distributed

Implementation & Training

- Uploading a flyer is easy (less than 60 seconds)
- Free for school office staff and parent groups
- Community groups pay a service fee – the district website will have instructions

Communication Plan – Community Partners

"Info Cards for Community Organizations" will be provided to each school site for you to use.

peachjar

Our school district has switched from paper to digital flyers!

Next steps for enrichment providers:

1. Register at ***www.peachjar.com***
2. Go to "My Account"
3. Click on "Post a Flyer"
4. Select desired schools

Your eflyer is automatically sent to the district office for approval, posted online, and emailed to parents.

Parents Without Internet Access | Best Practices

Put a small stack of paper flyers in the front office

Offer a resource center for parents to access your school website

If essential, send digital *and* paper flyers as part of transition
