MAJOR FUNCTION

~~Position performs administrative responsibilities in the management of the school system's five (5) year schedule of evaluations, and supervises a professional and clerical support staff. Responsibilities include providing routine evaluation services on annual evaluations, and the development and implementation of special research projects. Position has final accountability for cost and results of assigned projects.~~

Administrative position responsible for the planning, coordination and overall implementation of research, evaluation, testing, accountability, planning and policy services, projects and activities in the district with emphasis on improved decision making and accountability, particularly in regard to:

- District goals, objectives and priorities, including the Superintendent's goals and priorities as stated in the District Strategic Plan
- Ongoing innovative or formative educational and support programs or projects
- Innovative or formative educational and support programs or projects of a pilot nature

ESSENTIAL RESPONSIBILITIES

- Supervises a staff of professionals in evaluation, research, testing, accountability and planning
- Provides consultative and technical support and services to schools, departments and programs on educational improvement, planning and evaluation tools and activities
- Coordinates with grant administrator regarding the grant evaluation activities
- Makes decisions related to evaluation procedures, project management, including the evaluation plan, evaluation design, and interpretation of results effecting a program's continuation and/or expansion
- Responds to special requests for unscheduled research projects, develops necessary procedures for implementation
- Reviews and coordinates research requests from individuals, groups and/or outside agencies
- Provides consultative services and technical support on evaluations conducted by outside evaluators and those required by the Florida Department of Education or other regulatory agencies
- Monitors and maintains the district's ongoing five (5) year schedule of evaluations
- ~~Supervises a staff of professional research and clerical support personnel~~
- Manages and develops evaluation designs
- Oversees and manages the selection and contract with the external evaluation consultants and acts

as the liaison for the district with this group

- Oversees the evaluation activities of the Title I project
- Serves on the superintendent cabinet
- Coordinates evaluations of the Superintendent, School Board Attorney, and other individuals, groups or programs as assigned
- Provides consultative services and evaluative technical support for purchasing selection of instructional/supplemental material
- Responsible for department budget, inventory, personnel and all administrative duties
- ~~Coordinates evaluations conducted by outside evaluation groups~~
- Allocates personnel and resources to appropriate projects
- ~~Serves as liaison for the district in working with outside evaluation consultants~~
- Implements processes to provide control over a large number of diverse and complex evaluations
- Coordinates and directs related activities
- Plans with and assists local government agencies on joint evaluations.
- Presents final evaluation reports to the School Board
- Directs committees and meetings with teachers, parents and staff for data collection purposes, and chairs evaluation review committees with other community representatives
- Meets with other administrative staff to form the structure of a particular evaluation process; may necessitate the gathering of background information of a confidential nature from the Superintendent and his administrative team; and review interpretative results of evaluation reports
- ~~Reviews final results with professional staff prior to dissemination~~
- Responsible for budget items related to Doctoral Intern salaries and evaluation consultant fees
- Performs other related duties as required

TERMS OF EMPLOYEMENT

Salary and benefits shall be paid consistent with the district's approved compensation plan. Length of the work year and hours of employment shall be established by the District.

Performance of the job will be evaluated in accordance with provisions of the School Board's policy on evaluation of personnel.

The above statements are intended to describe the general nature and level of work being performed by employees assigned to this classification. They are not intended to be construed as an exhaustive list of all responsibilities and duties required of those in this classification.
