

Plumb will be hosting our annual fundraiser on Friday, March 14, 2025. This is an exciting event for all students that takes place during your child's PE time in combination with field day this year. At this event there will be music by DJ Corey, obstacles, dancing, running, and all-around fun.

We are going cashless. Your student must be registered online to receive donations. We will not be accepting any cash or checks. Fundraising ends March 11th at 5pm. Thank you for your support!
